WHY ENVY a clear, lovable complexion? Why wish and hope? It is within your reach! There is always one quick and sure way to make your complexion free from all eruptions, pimples, blackheads, boils and that impossible muddiness. That is by building up your red-blood-cells. S.S.S. will do it for you! Because S.S.S. does build red-blood-cells, it cleapses the system and makes those so-called skin disorders impossible to exist. S.S.S. contains only pure vegetable medicinal ingredients. It is also a remarkable builder of firm flesh, which is also important to beauty. It will fill out your hollow cheeks, put the "ruby" of health in your cheeks and the sparkle in your eyes. Since 1826 B.S. has been beautifying complexions and giving women physi-cal charm.
