### Germans Still Preparing for War, Report Says

Allied Committee Charges Young Men Are Being Trained Secretly and Stores of Arms Found.

By Associated Press March 2.-The opinion educating not only officers and subalterns to this end, but under all sorts of camouflage, is training enough Wood to Catch young men to mobilize a strong fighting army whenever it wishes to do so

This, the committee says, in a writ ten opinion which the ambassadors' council will consider tomorrow, is of far greater import than the discovery of unauthorized war material, although it is pointed out that the existence of illicitly manufactured rifles, machine guns and parts of cannon, emphasizes the seriousnes of the situation
