the Northwestern Bell Telephone company which operates in five states.  
 97. Omaha is headquarters for the Western Newspaper union, furnishing a news service to every state in the union.  
 92. Omaha is third city in the United States in the number of electric light users in proportion to its population.  
 93. Omaha's municipal gas plant serves 43,624 consumers.  
 94. Omaha is headquarters of the seventh corps area of the United States army. Military activities in Nebraska, Kansas, Iowa, Missouri, North and South Dakota, Minnesota and Arkansas are directed by corps area staff officers in Omaha.  
 95. Two important military stations, Fort Crook, occupied by the Seventeenth infantry regiment, and Fort Omaha, are situated in Omaha.  
 96. The Omaha postoffice handled 159,600,000 letters, sold \$2,900,000 worth of stamps and handled nearly 7,000,000 pieces of parcel post in 1924.  
 97. Omaha is the central station of the transcontinental air mail route and national headquarters of the air mail branch of the postal service—the only government headquarters bureau outside of Washington, D. C.  
 98. The original plat of Omaha was made in 1854 and the city was incorporated in 1857.  
 99. Omaha has the commission form of "government operating under a home rule charter."  
 100. Omaha's tax rate is lower than most cities of its class.  
 101. Omaha's creameries, stockyards, packing houses, the smelter, tire factories, biscuit factories, telephone company, power plant, water works, schools, universities, churches, parks and public buildings are but a few of the many interesting places to visit that Omaha offers.

**Probation Officers Named.**  
 York, March 6.—W. G. Brooks, superintendent of York city schools, and Mrs. Eloise Alden were named as probation officers by District Judge Landis.

**COLOR and buoyancy of line, the motif of the new mode, our showing expresses this motif in many different and wholly charming ways.**
