Consider This Your Invitation to Our SPRING SHOWING An Event Every Discriminating Woman Will Enjoy DRESSES

You will see the new styles—with the return of the flares and the inverted pleat, a more definite waistline once more, the retention of the ensemble and tunic vogues, some mannish coats, plenty of colorful prints in silks for informal wear and chiffon aplenty with lace for evening wear. But simplicity of pattern is outstanding.

A Tribute to Omaha's Loyalty

The Strand is Omaha's playhouse. It enjoys the patronage of Omaha's best families because it is ever on the alert to present only the best pictures and highest class added attractions all the time.

This week we present Bebe Daniels and Ricardo Cortez in "Argentine Love," in conjunction with the THOMPSON-BELDEN SPRING STYLE REVUE, and RANDALL'S ROYAL FONTENELLE ORCHESTRA.
