G. P. (Pete) Wendell, Omaha, of the Amateur Athletic union, Monday rea telegram from Frederick W. Rubien, national secretary of the A.

A. U., which stated that Nurmi was scheduled to appear in Chicago April 18 and Los Angeles April 25. The telegram also stated that if possible the great Finnish athlete would stop off at Omaha for a one night's stand. Rubien and Wendell are great friends and the latter is of the opinion that the former can swing the deal for Omaha.

It is Pete Wendell's plan to have Nurmi run at the Creighton university gymnasium. It would be an indoor meet, weather conditions during the month of April being unfavorable for an outdoor run. Just who would compete against the "Flying Finn" is not known at this time, although Wendell has been corresponding with the University of Nebraska and Iowa athletic officials in hopes of enlisting the aid of these great universities in securing tracksters to run against Nurmi. Creighton will send "Stew" Stewart, Bluejay crack miler, against

Whether Ritola, also a Finnish athlete, will accompany Nurmi to the west coast in April is not known here. If Ritola accompanies Paavo to California the chances are that he will stop off in Omaha with the great record-breaker.
