S.S.S. will rid you of boils, pimples, blackheads and skin eruptions!

D ON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your, body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorders: And the one remedy which has no equal is S.S.S. S.S.S. stops boils and keeps them

from coming. S.S.S. builds blood-power! That is what makes fight-ing blood. Fighting blood destroys impurities. It fights boils. It fights skin eruptions-pimples, black-heads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.
