

Tech, Swamping Huntley, 33-4, Advances to Semi-Finals in State Cage Meet

Nelson, Holm Star for Maroon Five Throughout

Low Scores All of Loser's Points With Two Field Goals in Opening Period.

Special Dispatch to The Omaha Bee. Lincoln, March 13.—Omaha Tech swamped Huntley in the opening class A skirmish of the morning, 33 to 4. The Maroons assumed an early lead and were never headed. Coach Drummond made many substitutions, saving his men for the semi-final tonight. Nelson and Holm starred for the Maroons throughout the skirmish.

The teams milled back and forth down the court for three minutes before Nelson slipped the oval through the hoop for the initial Tech counter.

Nelson followed with a pair of neat under-basket tosses, giving the Maroons a 6-point advantage.

Opponents Score. Lowe put Huntley on the score sheet with a short flip under the basket after Othmer had made the count, 8-0, with a one-handed toss.

Nelson came through with his fourth basket of the half when he pushed the ball through from the side lines. Holm followed close with two minutes left on the half.

A long shot by Lowe was followed by Swenson's toss, bringing the score to a 14 to 4 court in Tech's favor at end of the second quarter.

Prerost replaced Captain Holm at the start of the second half and Swenson remained in the lineup in place of Nelson. "Swede" Charquist started the scoring in the period with a shot from the center of the court.

Shoots From Sidelines. Millhollin brought the Tech total to 18 counters with a long shot from the side lines. Othmer tipped one in a misap. Engler replaced Charquist for the Omahans. Millhollin's free throw and Swenson's field basket followed in short order.

Tech led 23 to 4 at the end of the third quarter.

Baskets by Swenson, two free throws by Holm and a long shot by Charquist featured the opening of the final quarter. Nelson scored his fifth basket a moment later under the basket. Holm's long shot ended the argument.

Nelson was high point man for the winners with five baskets. Holm copped second high point honors with a trio of baskets and a pair of gift shots.

UTAH IN FAVOR OF HORSE RACING

Salt Lake City, Utah, March 13.—Turf followers were enthusiastic here today over the prospect of the "sport of kings" again being permitted in Utah.

A bill which provides for two race meets each season or not more than 30 days' duration was passed by the Utah legislature shortly before adjournment. The bill sanctions the pari-mutuel betting system.

Provision is also made for a commission of three members to be appointed by the governor, who will issue rules and regulations governing the meets.

The bill now awaits the signature of the governor, who is said to favor the measure.
