When you consider what the wonderful DUO-ART Reproducing Pianos offer in quality, tone and workmanship PLUS the recommendation and guarantee of our own organization, which has enjoyed a reputation for fair dealing and lowest prices and terms for 66 years, you will readily see that we offer more than any music house in the west.

*Liberal allowances made for instruments of  
other makes accepted as part payment.*

## The DUO-ART Reproducing Piano

obtainable in

*Steinway, Steck, Wheelock, Stroud  
Aeolian and the world famous Weber*

Steinway, Steck and Weber are the only pianos made and sold all over the world. There are factories in America, England, France, Germany and Australia building these famous instruments equipped with the DUO-ART. At lesser prices are Wheelock, Stroud and Aeolian DUO-ART Pianos in Grand and Upright styles in conventional and decorative designs, electric and foot-impelled.

The stars of Broadway make recordings for the DUO-ART of all the popular song and dance successes, and so provide the finest popular entertainment and the best music for dancing. Dance rolls may be repeated automatically on the DUO-ART.

Scores of true accompaniments for the Voice, Violin, Cello, etc., are recorded by such artists as: FRANK LA FORGE, BOS, DAMBOIS, SHAW, RAPEE and many others.
