

Church Dispute Brings Fist Fight in French Chamber

Free-for-All Battle Follows Herriot's Talk Premier's Non-Denominational Policy Given Favorable Vote After Stormy Session.

By The Associated Press.
Paris, March 20.—The chamber of deputies this evening gave Premier Herriot and his cabinet a vote of confidence on the government's policy with regard to religious questions.

The vote was taken after the premier had made a stubborn defense of his policy. During it he attacked the recent manifesto of the French cardinals and archbishops, which protested against the government's efforts to make the non-denominational laws effective in Alsace, and compared the "Christianity of bankers" with the "Christianity of the Catacombs."

The address of the premier opened the flood gates of temper of his opponents which culminated in one of the worst disturbances the chamber ever has seen. Old and new orders in France came into dramatic conflict on the floor, first when the Catholics and the anti-clericals indulged in a free-for-all punning match, and, second, when a censured deputy, Marquis de la Foronay, refused to leave the chamber when he was ordered to do so.

The premier's denial of any intent to persecute Catholics was received with jeers by the opposition, which booed, hissed and otherwise interrupted him. The Marquis de la Foronay's repeated cries of "Retreat!" finally brought upon the belligerent deputy the most severe penalty that can be imposed—censure and temporary exclusion. The penalty had not been imposed before in 15 years. It bars the marquis from the next 15 sittings, imposes a fine of a month's pay and subjects him to arrest and three days' imprisonment in the chamber building if he re-enters it during the proscribed period.

The premier's speech was interrupted at the outset by Abbe Lemire's admission that the manifesto of the cardinals had "troubled many consciences in profoundly Catholic communities." To this M. Herriot replied: "We deeply respect all religious convictions. We will not allow any injury to their liberty, which we have to safeguard."

Sixty Children Trapped in Tornado-Razed Schoolhouse

THE picture immediately below shows the ruins of one of the schoolrooms in the Longfellow school, Murphysboro, Ill., wherein 60 children were trapped, many meeting death, as a result of the tornado which swept through the southern part of Illinois late Wednesday afternoon. The second photograph graphically portrays the devastation wrought by the tornado. Note how, in this scene of desolation, a large frame house practically escaped damage.

Speed Violators More Happy Now; Judge Relenting

Sentences Only Two to Jail for 30 Days; Five Others Held Until Early in Afternoon.

Judge Sophus Nebbe, jr., Friday relaxed his 30-day speeders' sentence policy. He sentenced only two men to serve 30 days in the county jail and ordered five speed law violators held at city jail until 1 Friday afternoon.

Ken Kelly, 18, charged with speeding and reckless driving, was sentenced to 30 days, as also was Bernard Wright, 2611 Caldwell street, saxophone player of Rose Johnson's jazz band. Wright's automobile struck and injured Ernest Rhode at Sixteenth and Davenport streets, March 8.

The five ordered held at the city jail until 1 Friday afternoon are Charles Sadler, postal clerk; H. Glassman, driver of a grocery truck; D. Slater, who was arrested for speeding while arranging the funeral of a friend; G. E. Fuller, 4728 North Thirtieth street; C. B. Hodgson, 1741 South Twenty-eighth street, who coasted too fast down a hill.

Charge Is Dismissed.

The reckless driving charge against George Carmichael, Council Bluffs, who was ordered held by a coroner's jury for causing the death of Mrs. Elmer Heller in an automobile accident March 5, was dismissed for want of prosecution Friday in South Omaha police court.

Carmichael, however, faces a state charge of manslaughter. Mrs. Heller, the divorced wife of the police officer, died as the result of injuries received when Carmichael's car overturned. She was a passenger.

Three of the six motorists sentenced Thursday to 30 days in county jail for alleged speeding have been released on bonds by which they appeared their cases to district court. Jailer Sherry announced Friday morning.

Those released are Charles Ederer, jr., son of the florist, of Thirtieth and Bristol streets; Otto Huth, 2423 Ames avenue, and John H. Scheidt, 116 South Thirtieth street.

Eric R. Lundgren, who was given a 30-day sentence Wednesday, has also appealed his case to district court.

Three Still in Jail.

Of the six sentenced Thursday, W. S. Culp, 547 South Twenty-fifth avenue; Cecil Sweet, 5421 North Nine-

Road Overtaxed, Master Reports

Dunham Report Charges State Board With Deliberate Over-Valuation.

The state board of equalization has been charged with intentional and deliberate overvaluation by B. H. Dunham, special master in chancery, in his report in the suit of the Chicago & Northwestern Railroad company for taxation purposes in 1921.

Several million dollars in taxes are lumped on the report of Dunham. The state tax commissioner and 43 county clerks and treasurers in counties where the Northwestern has property are asked to be enjoined from collecting taxes on the alleged overvaluation, by the report of Dunham.

LOVE OF FIRESIDE COSTS MAN WIFE

Tragic details are revealed in two of the 15 divorce cases in which Judge Day issued decrees Friday.

Mrs. Blanche Davis of 3502 North Eighteenth street was given a divorce from Edwin Davis. They had been married since 1885, and are the parents of three grown sons. Mrs. Davis testified her husband had deserted her on February 13, 1921.

"I told him when he was leaving that he owed an explanation to our sons," said Mrs. Davis. "But he offered no explanation for going away."

Two Held on Liquor Charge.

Fairbury, March 20.—B. P. Schuele and O. H. Koester, claiming to be farmers residing near Deshler, were arraigned in probate court Thursday charged with intoxication, transportation and possession of liquor. They entered a plea of not guilty and furnished a \$1,000 bond to appear for trial in district court April 2. When arrested at the Rock Island shops they had a suitcase of bottled goods said to be liquor.

Conversation Annoys Judge; Postpones Case a Week

Mrs. Louis Paris of 2906 Lake street was accompanied by friends when she appeared in District Judge Day's court Friday afternoon to be heard in a divorce matter.

Another case was in progress and Mrs. Paris and her friends seated themselves to await their turn. They began whiling away the time by conversing right merrily, but the conversation disturbed the judge, and he dispatched Bailiff Brown to warn them against it.

Bailiff Brown is small of stature and failed to impress them, for they kept on in their best sewing circle style. Then Judge Day rapped on his desk.

"I'll give you people just a week to learn how to behave in court," he announced with emphasis. "If you want me to hear your case come back next week. I'll not hear it today."

La Follette Says Action of G. O. P. Merely Training

Washington, March 20.—Senator La Follette of Wisconsin, leader of the senate republican insurgents who were deprived of their committee chairmanships by the majority organization, declared here today that the incident was merely a "training" phase of his active political life.

"This latest maneuver is nothing to me," he said. "It's not a fight, it's simply training."
Asked if he would organize a new party, Senator La Follette said he did not care to discuss the question now.

And jail them for debt,

Is medieval yet.
