The Heavy Selling of March Sadly Depleted Our Coat Stock

---But

several of New York's coat manufacturers came to our rescue by shipping us coats immediately. A few they had ready, others were taken from here and there from heavy deliveries about to be made to the better stores in other cities. In this manner our buyer, who is in New York, was able to rush coats to us for Saturday.

Smart New Styles

25.00

You will find here a coat that will fill your needs whether they be those of business, motoring, shopping, traveling, sports, afternoon or general wear.
