G for the Spanish-American War ing show at the Auditorium on Friday, April 17.

Yeager is starting something new for the Auditorium. He is following in the footsteps of Dick Grotte, matchmaker for the Elks. Grotte stages fistic shows at the Elks at popular prices. Boxers are not imported from eastern cities, and for the most part the principals in the bouts are preliminary fighters, but they FIGHT. Grotte's shows have attracted good crowds. The Elks haven't made a lot of money from these shows, but the club makes enough each time so that after another show or two there will

enough money in the athletic fund to purchase equipment for the new gymnasium. The Spanish-American war pro-

moter is going to try the same stunt at the Auditorium. He has signed Carl Augustine to fight Everett Strong; Rozgall to fight Mike Dale and Liston to fight a welter from Sioux City. The bouts will be 10 rounds. Yeager also has two preliminary bouts of four

rounds each. Yeager is called the "tough luck" promoter of Omaha. He has sched uled more fight programs and had them "blow up" than any matchthe maker in this man's town. He blames it all on the high cost of eastern
