

Master Charlie, Quatrain, Rule Derby Favorites

LOUISVILLE, April 7.—Quatrain, winner of the New Orleans derby, and Master Charlie, 2-year-old champion of 1924, have been rated pronounced favorites in the winter books, those pay-or-play mediums through which a hopeful dollar is cast upon the rather hopeless chance that the horse of your choice will win the Kentucky derby. Sometimes the horse not even goes to the post.

Several years ago Zev, rated as high as 50 to 1 in the early futures, was unconventional enough to win the race and a lot of the boys are still looking for their money.

But you can't keep a good man a bedspring down, and today plenty of important money is going on the books on Quatrain at 8 to 1, and Master Charlie at 10 to 1, those guileless bookies having learned, through the Zev incident, that big odds today may mean small change tomorrow.

For some reason, the odds represent a lengthening of the figures for Quatrain. He is still the same horse that ran so well on southern tracks, yet the layers have raised his price from around "sixes." At the same time, Master Charlie's odds have been shortened in a rather sensational manner. He was as high as 25 to 1 at the first call over, because it was reported that he had developed a splinter in one of his legs. Within the last fortnight, heavy commissions have been sent in from his stable connections, indicating that rumors will be rumors.

Another in popular demand during recent days is Stimulus of the Marshall Field stable. He has been hampered down to 12 to 1 since last week and stands third among the future choices, while fourth position is being held by Our General, which is training at Alton.

Candidates from two of the leading stables, to-wit, those of E. R. Bradley and Harry Payne Whitney, are not getting much early action. Bradley saddled the horses that ran one-two in the derby some five years ago and has been in the money pretty much through recent years. But he doesn't seem to have an outstanding candidate at the moment. Hedge Fence and Chantey of the Whitney string are held, respectively, at 20 to 1 and 40 to 1.

Other quotations include Young Martin, 20 to 1; Sumpter, 25 to 1; Leo Cotner, American Flag, Singlefoot and Sunny Man, 50 to 1; Mother Goose and Swinging, 30 to 1; Swope, Silver Fox, Elf and Coronation, 40 to 1, and Chief Lucas, 50 to 1.

Senators Defeat Giants, 7 to 4

BIRMINGHAM, Ala., April 6.—The Washington Senators defeated the New York giants this afternoon by a score of 7 to 4. The series between the two clubs now stands 3 to 2 in favor of the New York Giants, with six games yet to be played.

Walter (Dutch) Ruether and Walter Johnson were the Washington pitchers, while Hugh McQuillan, Virgil Barnes, John Wisener and Edna Mann were the New York moundmen.

Send Out Entry Blanks for Sixteenth Annual Drake Relays

DES MOINES, April 7.—Preparations for making the 16th annual Drake university relay meet, April 24-25, surpass all previous affairs in size and number of entries are well under way.

Entry blanks for colleges and universities have been mailed and blanks for high schools will be sent out soon to insure early completion of entry lists.

A large force at present is working on the Drake stadium track, declared by coaches and athletes to be one of the fastest in the country.

Charlie Paddock praised the Drake oval highly while he was running here last spring.

The 16th annual relay will mark the passing of the historic Drake stadium. Construction work on a

Judge Day Chosen as President of Muny Golf Body

THE Municipal Golf Association, Monday night, at a meeting held in the city hall, started its 1925 program with a rush by electing officers for the ensuing season, and Judge L. B. Day was unanimously elected president of the association.

While Riley has not done the low sticks in the time of the champion, 23-20, he is fast enough to push the lowan all the way.

Lloyd Hahn Beats Joie Ray

DETROIT, Mich., April 7.—Paavo Nurmi and Willie Ritola won their contests at last night's track carnival, but failed to break any records. Nurmi took the two-mile event in 5:48, a little more than 48 seconds slower than the world record. Ritola was far in front at the finish of the four-mile jaunt. Joie Ray was badly beaten in the mile by Lloyd Hahn of the Boston Athletic Association in slow time. Willie Plant and Phil Granville, United States and Canadian walking champions, met in a two-mile affair, which the American won, and set a new national record of 14:35.25.

Buffalo Bowler Wins All-Events

Buffalo, N. Y., April 7.—Clarence Long of Buffalo stands fourth today as the premier bowler of the 1925 American bowling congress. Long, a member of the Welleser Blue Ribbons, which captured the five-man championship, with a total of 3,023 pins, went on from that point to win the all-events prize with a score of 1,977.

Whitemore Low Golfer

Pinehurst, N. C., April 7.—Parker W. Whitemore of Boston today won the 36-hole qualifying round of the annual united north and south amateur golf tournament with a card of 76-68-144.

Diegel, Sarazen New Miami Pros

Washington, April 7.—Leo Diegel and Gene Sarazen, the latter American open golf champion in 1922, have been signed by the Golf Park Country club of Miami, Fla., to represent the club beginning December 1, next at annual salaries of \$5,000 each, said to be the largest ever paid professional golfers for a similar length of duty.

Penn Team Drills for British Meet

London, April 7.—The University of Pennsylvania mile relay runners who will compete against Oxford and Cambridge at the Queen's club on Saturday, combined business and pleasure this afternoon when they drilled through the Berkshire countryside.

Britton Wins Decision

Columbus, O., April 6.—Billy Britton, Columbus, Kan., won the judges' decision over Charlie Tarzan, Columbus, O., in 12 rounds tonight.

Tech Baseball Squad Prepares for Battle With Packers Next Tuesday

COACH DRUMMOND simmered down his baseball squad to 20 men in order to whip it into formidable shape to meet the South High Packers next Tuesday.

This was the final cut of candidates for the present team. More than 30 men got the ax when Drummond made the cut. The men who were removed from the squad will be given a chance for the second team.

The Techsters were sent through a hard workout, which they were in need of very much. A practice game was also held, which lasted for nine innings, all the men on the squad participating. A regular team will be picked in the next few days.

The outlook of the Tech team is beginning to improve. The fielding of the men in the opening days of practice was full of wobbles, but now the team is beginning to round into first class shape. The hitting department is altogether weak. At present there is not a dependable

Now you can rent and drive a handsome Private Car!
Any time—day or night—no red tape. A fine, 6-cylinder closed car—not distinguishable as a rented vehicle. Pay by mile and hour—less expensive than your own car.

THIS announcement is directed to every dependable citizen in this city and surrounding territory. It is something entirely new in motor transportation. Any time, day or night, you can rent a handsome closed car—in perfect condition. Take it where you will. Drive it yourself. All the pleasure and convenience of a fine motor car—without the expense.

No red tape
Simply come in, establish your identity—and drive away a car in which you'll be proud to ride. We ask only such information as you will gladly grant for the protection of reputable business men. The entire matter may be arranged in 5 to 10 minutes. After that you are given an identification card. It entitles you to a car, whenever you want it thereafter.

Luxurious cars
These cars are comparable to any fine, privately owned automobiles. No one can identify them as rented vehicles. In design, in finish, in fittings they offer you every luxury of the modern motor car. Smooth running, silent 6-cylinder motors offer you all the power and speed you could desire. They embody every factor for safety and reliability known to modern engineering science.

More economical than ownership
You pay only for the miles and hours of actual use. Compared with expenses a car owner must meet, it is far more economical to rent one of these than to own a car.

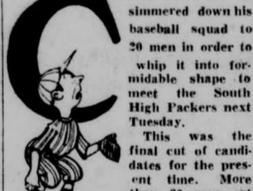

Mileage is registered by an inspected, certified hubodometer—concealed from sight—as accurate as a railroad man's watch.
