

Huskies Experience Little Difficulty Defeating Loboes in Dual Track Meet

Neither Squad Able to Break World Records
Nebraskans Score 80 1-3 Points to Opponents' 36 2-3
Outstanding Individual Performances Lacking.

ALBUQUERQUE, N. M., April 10.—The University of Nebraska track team had little difficulty winning a dual meet here today from the University of New Mexico, plugging up a total of 83 2-3 points to the Loboes' 36 2-3.

No record-breaking performances were recorded and the Cornhuskers had little difficulty, except in the high jump, where all three places went to New Mexico. There were no outstanding individual performances.

Immediately after the last event was run off, the squad hurried to catch a train for Boulder, Colo., where tomorrow it will meet the University of Colorado in a dual meet.
