The Way to Zion Is Now Open

ZION National Park, Bryce Canyon National Monument and Cedar Breaks are easily accessible at last! Here are mountains and canyons tumbled together in a welter of color like a colossal kaleidoscope. Pyramids, temples, castles built by nature and striped like the rainbow! Amphitheatres where the wizardry of erosion has carved out dazzling fairy cities more beautiful than Babylon or Bagdad! Delicate statuary which no artist can rival.

Here, too, is a lingering frontier of empurpled distances with quaint Mormon villages, Indians, wild horses, extinct volcanoes and mysterious cliff dwellings.

Come with us this summer to Southern Utah. See the Great Magician's scenic masterpiece in color-

ZION NATIONAL PARK Bryce Canyon-Cedar Breaks

Experience the thrill of the discovererthe pioneer! Only a few have been there -the trip was too arduous. But for 1925, the Union Pacific has made it comfortable, provided motor tours over good roads and the latest style of National Park lodges and dining rooms.

Side trips may be arranged to the North Rim of Grand Canyon, through the fairy

Kaibab National Forest, the abode of numberless deer and of the beautiful white-tail squirrel.

Let us tell you about low summer fares and personally escorted all-expense tours and how easily you can combine the trip with tours to Salt Lake City, Yellowstone, California or the Pacific Northwest.
