A FUEL FAMINE.—There continues to be great suffering in many of the western cities on account of scarcity of fuel.

A farther attempt which was now made to negotiate proved vain, and it was then resolved to attack the old inner, or Manchou portion of the city, divided from the southern, by a high massive stone wall, and containing the garrison of Canton.

The imperialist garrison of Canton was in a very weakened state. The Governor had raised the pay of common soldiers from 6 to 8 dollars a month.

GERMANTOWN TELEGRAPH.

THE MODEL FAMILY AND AGRICULTURAL PAPER.

PUBLISHED AT GERMANTOWN, PHILADELPHIA CO., PENN. EVERY WEDNESDAY MORNING. BY PHILIP R. FREAS.

PRICE—TWO DOLLARS PER ANNUM. We take this occasion to announce to Farmers throughout the country, that it is the intention of the Editor and Proprietor of the "Germantown Telegraph," not only to continue as heretofore the Agricultural Department of his paper, but sedulously to add to its character and value by all the means at command.

All necessary space shall be provided for a full record of Agricultural Details and a full development of every branch of the Farmer's Pursuit.

He will in future, as he has always heretofore, aim to be practical, and to be of real and substantial advantage to his readers.

His course, also, will continue to be thoroughly independent, and wholly unbiassed by any other motives than those he conceived to be promotive of the true interest of Agriculture in its broadest meaning.

Neither individuals, cliques, societies, or any other influence shall serve him from the path of right and duty.

Farmers, throughout the country, who desire a Newspaper, issued weekly, and equal to any other family news and literary journal published, which makes Agriculture a specialty, will find the "Germantown Telegraph" to fulfill every condition, and to render it entirely unnecessary for them to subscribe for a periodical exclusively agricultural.

Practical Horticulture, Pomology and Gardening, generally, will meet with particular attention.

As a Literary and News Journal it shall not be surpassed by any in the country. Neatly printed on good paper, of the largest class, it shall continue to be one of the handsomest newspapers of the day.

Every Family, in town or country, whether they take other papers or not, will find the "Germantown Telegraph" to
