CHEAPER THAN THE CHEAPEST!
BETTER THAN THE BEST! Published weekly. The whole only One Dollar a Year.

GREATEST DISCOVERY of the present century for detecting counterfeit Bank Notes; describing every genuine bill in existence, and exhibiting at a glance every counterfeit in circulation. Arranged so admirably that reference is easy and detection instantaneous. No pages to hunt up, but so simplified and arranged that the merchant, banker and business man can see all at a glance.

It has taken years to make perfect this GREAT DISCOVERY. The urgent necessity for such a work has long been felt by commercial men. It has been published to supply the call for such a preventive, and needs it to be known to be universally patronized. It does more than has ever been attempted by man. It describes every bank note in three different languages—English, French and German. Thus each may read the same in his own native tongue.

TERMS .- The paper will be about 28 by 42 inches, and will contain the most perfect Hank Note List published, together with the rate of Also a list of all the private Bank-

ers in America. A complete summary of the Finances of Europe and America will be published in each edition, together with all the important news Also INTERESTIFG STORIES from an old manuscript found in the East, and no where else to be found. THOS. A. HENDRICKS,

Entering Town Sites.

The following correspondence will show that the act of the last Legislature of the Territory, designating the County Commissioners as the proper persons to enter Town Sites, is not recognized by the Commissioner of the Land Office.

It is a question of doubt whether the Judges of Probate, or the United States Judges, can

be regarded as "Judges of the County Court." As soon as that doubt is removed, notice will be given. In the mean time no entering of towns not incorporated can be made. A copy of the act of the last Legislature will be placed in the hands of the Commis-

sioner, and, under the circumstances, the cutries already made MAY be confirmed, JOHN A. PARKER, Register. Land Office, May 19th, 1857.

EXTRACT OF A LETTER TO THE COMMISSIONER OF THE LAND OFFICE, DATED LAND OFFICE. OMAHA, April 15, 1857.

Under the "act of twenty-third May, 1844," the "Judges of the County Court" are given the authority to enter "Town Sites." In this Territory there are no such officers as "Judges of the County Court," but the Legislature has recognized the "County Commissioners" as the proper persons to enter "Town Sites," and we have, in view of the spirit of the law, permitted such entries, in the hope that it will meet the approbation of the Department. Very respectfully, your obed at servant, JOHN A. PARKER, Register.
