Hon. Fenner Ferguson has our thanks for Public Documents.

We trust that a special Mail Agent will be appointed this winter, for Nebraska. The services of one have long been felt, by the inhabitants of the Missouri slope. The mails are so notoriously irregular, that we are of the opinion that the difficulty is nearly constitutional, and almost part remely. Nearly every week we receive letters from some one of our subscribers, complaining that they do not receive the Gazette. We have always been very particular in making up our mails, and are quite sure that we have se'dom made a mistake.
