Do you want to have a Sure Preventive
against Counterfeit Bank Notes?

JOHN S. DYE is the Author, and the Bank
Note engravers all say that he is the greatest
judge of paper money in the world.
CHEAPER THAN THE CHEAPEST!
BETTER THAN THE BEST!

Published weekly. The whole only One
Dollar a Year.

GREATEST DISCOVERY of the present
century for detecting counterfeit Bank Notes,
describing every genuine bill in existence, and
exhibiting at a glance every counterfeit in cir-
culation. Arranged so admirably that refer-
ence is easy and detection instantaneous. No
pages to hunt up, but so simplified and arranged
that the merchant, banker and business man
can see all at a glance.

It has taken years to make perfect this
GREAT DISCOVERY. The urgent neces-
sity for such a work has long been felt by
commercial men. It has been published to
supply the call for such a preventive, and needs
but to be known to be universally patronized.
It does more than has ever been attempted by
any man. It describes every bank note in three
different languages—English, French and Ger-
man. Thus each may read the same in his
own native tongue.

Taxes—The paper will be about 28 by 42
inches, and will contain the most perfect Bank
Note List published, together with the rate of
discount. Also a list of all the private Banks
in America.

A complete summary of the Finances of
Europe and America will be published in each
edition, together with all the important news
of the day. Also INTERESTING STORIES
from an old manuscript found in the East, and
no where else to be found. It has never yet
appeared in print, and furnishes the most com-
plete history of Oriental Life, and describing
the most surprising positions in which the
Ladies and gentlemen of that country have
been so often found. These stories will con-
tinue throughout the whole year, and will
prove the most entertaining ever offered to the
public.

Furnished weekly to subscribers, only
at \$1 a year. All letters must be addressed to

Entering Town Sites.
The following correspondence will show
that the act of the last Legislature of the
Territory, designating the County Commis-
sioners as the proper persons to enter Town
Sites, is not recognized by the Commissioner
of the Land Office.

It is a question of doubt whether the Judges
of Probate, or the United States Judges, should
be regarded as "Judges of the County Court."
As soon as that doubt is removed, notice will
be given. In the mean time no entering of
towns not incorporated can be made.
A copy of the act of the last Legislature
will be placed in the hands of the Commis-
sioner, and under the circumstances, the en-
tries already made may be confirmed.
JOHN A. PARKER, Register.
Land Office, May 19th, 1857.

EXTRACT OF A LETTER TO THE COMMISSIONER
OF THE LAND OFFICE, DATED
LAND OFFICE,
OMAHA, April 13, 1857.

Under the act of twenty-third May, 1844,
the "Judges of the County Court" are given
the authority to enter "Town Sites." In this
Territory there are no such officers as "Judges
of the County Court," but the Legislature has
recognized the "County Commissioners" as
the proper persons to enter "Town Sites,"
and we have, in view of the spirit of the law,
permitted such entries, in the hope that it
will meet the approbation of the Department.
Very respectfully, your obedient servant,
JOHN A. PARKER, Register.
