THE
ATLANTIC MONTHLY.

PHILLIPS, SAMPSON & CO'S
New Magazine.
BOSTON, MASS.

ITS AIM WILL BE

FIRST: In Literature, to leave no province unrepresented, so that while each number will contain articles of an abstract and permanent value, it will also be found that the healthy appetite of the mind for entertainment in its various forms of Narrative, Wit, and Humor, will not go uncared for. The publishers wish to say, also, that while native writers will receive the most solid encouragement, and will be mainly relied on to fill the pages of the ATLANTIC, they will not hesitate to draw from the foreign sources at their command as occasion may require, relying rather on the competency of an author to treat a particular subject, than on any other claim whatever. In this way they hope to make their Periodical welcome wherever the English tongue is spoken or read.

SECOND: In the term ART they intend to include the whole domain of aesthetics, and hope gradually to make this critical department a true and fearless representative of Art in all its various branches, without any regard to prejudice, whether personal or national, or to private considerations of what kind soever.

THIRD: In Politics, the ATLANTIC will be the organ of no party clique, but will honestly endeavor to be the exponent of what its conductors believe to be the American idea. It will deal frankly with persons and with parties, endeavoring to keep in view that moral element which transcends all persons and parties and which alone makes the basis of a true and lasting national prosperity. It will not rank itself with any sect of ANTIES, but with that body of men which are in favor of Freedom, National Progress, and Honor, whether public or private.

As an earnest of the material at their command, they subjoin the following list of literary persons interested in their enterprise; wishing it however to be distinctly understood, that they shall hope for support from every kind of ability which desires the avenue of their columns, and in the renumeration of which they shall be guided purely by their sense of intrinsic merit: —

William H. Prescott, Ralph Waldo Emerson, Wm C Bryant, Henry W. Longfellow, Rev. F. H. Hedge, D. D. Nathaniel Hawthorn, John G Whittier, Oliver Wendell Holmes, James R. Lowell, J. Lothrop Motley, George Wm. Curtis, Herman Melville, Prof. C. C. Felton, Prof. F. J. Child, E. P Whipple, Edmond Quincy, Author of "Wensley," Thomas W. Parsons, J. T. Trowbridge, Author of "Neighbor Jackwood" &c. Mrs H. Beecher Stowe, Mrs. Gaskill, Author of "Ruth" "Mary Burton" &c. Mrs. L. Maria Child, Mrs. C. M. Kirkland, Mrs. Pike, Author of "Ida May," "Caste," &c. Miss. Rose Terry. Wilkie Collins Author of "The Dead Secret", &c. G. Ruffini Author of "Doctor Antonio" &c. Shirley Brooks Author of "Aspen Court" &c. E. M. Whitty, Author of "Political Portraits" &c. James Hanney Author of "Singleton Fontenoy" &c. C. W. Philleo Author of "Twice Married."

The Publishers will aim to have each number of the magazine ready in time for distribution and sale, in the more remote parts of the country, on or before the first day of each month for which it is intended.

TERMS.—The ATLANTIC MONTHLY can be had of Booksellers, Periodical Agents, or from the Publishers, at Three Dollars a year, or Twenty-five Cents a Number.

Subscribers remitting three dollers in advance, will receive the work for one year, POST PAID, in any part of the United States within 3000 miles.

A liberal discount made to wholesale dealers and to post-masters and others who act as agents, to whom specimen numbers will be furnished without charge.

The Publishers will not be responsible for contracts made by agents. All persons ordering through that medium must look to them for their supply.

All communications for the Atlantic must be addressed to the Publishers.

JOHN S. DYE is the Author, and the Bank Note engravers all say that he is the greatest judge of paper money living.

CHEAPER THAN THE CHEAPEST!
BETTER THAN THE BEST!

Published weekly. The whole only One Dollar a Year.

GREATEST DISCOVERY of the present century for detecting counterfeit Bank Notes; describing every genuine bill in existence, and exhibiting at a glance every counterfeit in circulation. Arranged so admirably that reference is easy and detection instantaneous. No pages to hunt up, but so simplified and arranged that the merchant, banker and business man can see all at a glance.

It has taken years to make perfect this GREAT DISCOVERY. The urgent necessity for such a work has long been felt by commercial men. It has been published to supply the call for such a preventive, and needs but to be known to be universally patronized. It does more than has ever been attempted by man. It describes every bank note in three different languages—English, French and German. Thus each may read the same in his own native tongue.

TERMS.—The paper will be about 28 by 42 inches, and will contain the most perfect Bank Note List published, together with the rate of discount. Also a list of all the private Bankers in America.

A complete summary of the Finances of Europe and America will be published in each edition, together with all the important news of the day. Also INTERESTIFG STORIES from an old manuscript found in the East, and no where else to be found. It has never yet appeared in print, and furnishes the most complete history of Oriental Life, and describing the most perplexing positions in which the Ladies and gentlemen of that country have been so often found. These stories will continue throughout the whole year, and will prove the most entertaining ever offered to the public.

☞ Furnished weekly to subscribers only at $1 a year. All letters must be addressed to

We think we can show how much cheaper it is to take the Lady's Book at Three Dollars than any other magazine at Two Dollars. We will take a late number of both. The Two Dollar Magazine contained 36 articles, the Lady's Book 62.

The Two Dollar Magazine contained 32 engravings, the Lady's Book 56.

The Two Dollar Magazine contained 64 pages, the Lady's Book 100.

Twenty-four more engravings, twenty six more articles, and thirty-six more pages, nearly double the quantity. The lowest club price of the Two Dollar Magazine is $1,25; lowest club price of Lady's Book $1,67, only 42 cents difference in the price, which is three and a half cents on each number, and for that sum (three and a half cents), you receive twenty-six more articles, twenty-four more engravings, and thirty-six more pages monthly—certainly a very cheap three and a half cents' worth. This view of the case has probably never before been presented, but it is a true statement, which any lady can convince herself of by comparing the two magazines.

GERMANTOWN TELEGRAPH,
THE MODEL FAMILY AND AGRICULTURAL PAPER.
PUBLISHED AT
GERMANTOWN, PHILADA CO., PENN
EVERY WEDNESDAY MORNING.
BY PHILIP R. FREAS.

PRICE—TWO DOLLARS PER ANNUM.

We take this occasion to announce to Farmers throughout the country, that it is the intention of the Editor and Proprietor of the "Germantown Telegraph," not only to continue as heretofore the Agricultural Department of his paper, but seduously to add to its character and value by all the means at command. All necessary space shall be provided for a full record of Agricultural Details and a full development of every branch of the Farmer's Pursuit. He will in future, as he has always heretofore, aim to be practical, and to be of real and substantial advantage to husbandry. His course, also, will continue to be thoroughly independent, and wholly unbiassed by any other motives than those he conceives to be promotive of the true interest of Agriculture in its broadest meaning. Neither individuals, cliques, societies, or any other influence shall swerve him from the path of right and duty.

Farmers, throughout the country, who desire a Newspaper, issued weekly, and equal to any other family news and literary journal published, which makes Agriculture a specialty, will find the "Germantown Telegraph" to fulfill every condition, and to render it entirely unnecessary for them to subscribe for a periodical exclusively agricultural.

Practical Horticulture, Pomology and Gardening, generally, will meet with particular attention.

As a Literary and News Journal it shall not be surpassed by any in the country. Neatly printed on good paper, of the largest class, it shall continue to be one of the handsomest newspapers of the day.

Every Family, in town or country, whether they take other papers or not, will find the "Germantown Telegraph" to be worth, in literal benefit, twice the amount of subscription.

No subscriptions received without the cash. Price Two Dollars in advance. Subscriptions not paid within the year, $2.50. Mail subscribers will have the cash postage deducted when not exceeding 25 cts. per annum, provided the subscription be paid strictly in advance. Postage stamps to this amount will be returned as change with the receipt.

Any person sending five new subscribers at one time, with the cash, will be entitled to the paper for one year.

Specimen numbers sent on request.

Regular St. Louis, Council Bluffs Omaha City, Sioux City, and Iowa Point Packet, for Sioux City, Omadi, Seargent's Bluff, Decatur, DeSoto, Florence, Omaha City, Council Bluffs, Bellevue, St. Marys, Wyoming City, Nebraska City, Linden, Brownville, Rockport, White Cloud, Forest City, Oregon, Iowa Point, Savannah, St. Joseph, etc.

THE entirely new, very light draught, and superb freight and passenger steamer, SIOUX CITY, BAKER, Master, has commenced running as a regular packet to the above and all intermediate points, continuing in the trade during the season.

The Sioux City, as her name implies, was built expressly for a Sioux City packet, under the especial supervision of Captain Baker, who, in her construction, has spared neither trouble nor expense to make her a No. 1 Missouri River steamer, and one in all respects most admirably adapted to the wants of the river. She will be found, as regards capacity for business as well as the superiority of her passenger accommodations, inferior to no boat in the trade, and as such Capt. Baker takes much pleasure in presenting her to the favorable consideration of his friends and acquaintances, and the public generally, hoping to receive at their hands a continuance of that generous patronage for which he is indebted during a series of years, while in command of different boats in the river.

Shippers may rely upon having their freight handled with the greatest care and dispatch, and passengers are assured upon the Sioux City of being made to feel always quite at home.

Entering Town Sites.

The following correspondence will show that the act of the last Legislature of the Territory, designating the County Commissioners as the proper persons to enter Town Sites, is not recognized by the Commissioner of the Land Office.

It is a question of doubt whether the Judges of Probate, or the United States Judges, can be regarded as "Judges of the County Court." As soon as that doubt is removed, notice will be given. In the mean time no entering of towns not incorporated can be made.

A copy of the act of the last Legislature will be placed in the hands of the Commissioner, and, under the circumstances, the entries already made MAY be confirmed.

EXTRACT OF A LETTER TO THE COMMISSIONER OF THE LAND OFFICE, DATED
LAND OFFICE,
OMAHA, April 15, 1857.

. . . . . .

Under the "act of twenty-third May, 1844," the "Judges of the County Court" are given the authority to enter "Town Sites." In this Territory there are no such officers as "Judges of the County Court," but the Legislature has recognized the "County Commissioners" as the proper persons to enter "Town Sites," and we have, in view of the spirit of the law, permitted such entries, in the hope that it will meet the approbation of the Department.
Very respectfully, your obed't servant,
JOHN A. PARKER, Register.
