Mew Magazine. BOSTON, MASS.

ITS AIM WILL BE

First: In Literature, to leave no province unrepresented, so that while each rumber will contain articles of an abstract and permanent value, it will also be found that the healthy appetite of the mind for cutertainment in its various forms of Narrative, Wit, and Humor, will not go uncared for. The publishers wish to say, also, that while native writers will receive the most solid encouragement, and will be mainly relied on to fill the pages of the ATLANTIC, they will not besitate to draw from the foreign scources at their command, as occasion may require, relying rather on the competency of an author to treat a particular subject, than on any other claim whatever. In this way they hope to make their Periodi-cal welcome wherever the English tongue is spoken or read.

SECOND; In the term ART they intend to in-clude the whole domain of aesthetics, and hope gradually to make this critical dedartment a true and fearless representative of Art in all its various branches, without any regard to prejudice, whether personal or national, or to private considerations of what kind soever.
Thiap: In Politics, the ATLANTIC will be

the organ of no party clique, but will honestly endeavor to be the exponent of what its con-ductors believe to be the American idea. It will deal frankly with persons and with parties, endeavorang to keep in view that moral element which transcends all persons and parties and which alone makes the basis of a true and lasting national prosperity. It will not rank itself with any sect of ANTIES, but with that body of men which are in favor of Freedom, National Progress, and Honor, whether public or private.

As an earnest of the material at their com-mand, they subjoin the following list of litera-ry persons interested in their enterprise; wishit however to be distinctly understood, that they shall hope for support from every kind of abillity which desires the avenue of

Entering Town Sites. The following correspondence will show that the act of the last Legislature of the Territory, designating the County Commissioners as the proper persons to enter Town Sites, is not recognized by the Commissioner of the Land Office.

It is a question of doubt whether the Judges

of Probate, or the United States Judges, can be regarded as "Judges of the County Court." As soon as that doubt is removed, notice will be given. In the mean time no entering of towns not incorporated can be made, A copy of the act of the last Legislatme will be placed in the hands of the Commissioner, and, under the circumstances, the cu-

tries already made MAY be confirmed.

JOHN A. PARKER, Register. Land Office, May 19th, 1857. EXTRACT OF A LETTER TO THE COMMISSIONER OF THE LAND OFFICE, DATED LAND OFFICE

Омана, April 15, 1857. Under the "act of twenty-third May, 1844," the "Judges of the County Court" are given the authority to enter "Town Sites." In this Territory there are no such officers as "Judges of the County Court," but the Legislature has recognized the "County Commissioners" as the proper persons to enter "Town Sites," and we have, in view of the spirit of the law, permitted such entries, in the hope that it will meet the approbation of the Department.

Very respectfully, your obed'nt servant,

JOHN A. PARKER, Register.
