Entering Town Sites. The following correspondence will show that the act of the last Legislature of the Territory, designating the County Commissioners as the proper persons to enter Town Sites, is not recognized by the Commissioner of the Land Office.

It is a question of doubt whether the Judges

of Probate, or the United States Judges, can be regarded as "Judges of the County Court." As soon as that doubt is removed, notice will given. In the mean time no entering of towns not incorporated can be made.

A copy of the act of the last Legislature will be placed in the hands of the Commissioner, and, under the circumstances, the cutries already made MAY be confirmed.

EXTRACT OF A LETTER TO THE COMMISSIONES OF THE LAND OFFICE, DATED LAND OFFICE.

Омана, April 15, 1857. Under the "act of twenty-third May, 1844," the "Judges of the County Court" are given the authority to enter "Town Sites." In this Territory there are no such officers as "Judges of the County Court," but the Legislature has recognized the "County Commissioners" as the proper persons to enter "Town Sites," and we have, in view of the spirit of the law, permitted such entries, in the hope that it will meet the approbation of the Department.

Very respectfully, your obed'nt servant,

JOHN A. PARKER, Register.
