Too Many Goods For This Time of Year

The cool weather which has predominated throughout the month of May—the month thousands of yards of wash dress goods should have been sold in the place of hundreds—compels us to resort to vigorous means to reduce our stock quickly. For four days—Wednesday, Thursday, Friday and Saturday we throw our tremendous stock of Wash Dress Goods (937 pieces) on the market at prices which at this season we never saw attempted in all of our business history.

This means about 38,000 yards of the newest season Wash Fabrics at

... Half Price and Less ...

Not a single yard has been hidden away, so if you have a favorite piece you had selected for future purchase, when the weather had warmed up sufficiently, come down and get it—You'll find it right on sale.
