

GENERAL MENTION.

Items of Interest, Original and Borrowed From Wide Sources.

Smoke "Blue Ribbon Cigars" and be happy.

Central Labor Union meets next Tuesday evening.

Kankakee union men are holding monthly mass meetings.

Plumbers are striking in Hartford, Conn., and Springfield, Mass.

The largest line of union made shoes in Lincoln at Rogers & Perkins.

Rogers & Perkins carry a complete line of union made shoes.

Virginia State Federation of Labor has put a state organizer in the field.

The carpenters are preparing for another open meeting, and it will be a success.

One druggist has been cinched for violating the excise laws. There are others.

The painters in the New York fire department had their wages raised 50 cents a day.

Boston garment workers gained 300 members as the result of an organizing campaign.

Bookbinders of Washington, D. C., have been successful in establishing a flat scale of \$18 a week there.

Hon. Edgar Howard, who has just purchased the Fremont Daily Tribune, is an old-time union printer.

Woman's Union Label League holds its regular meeting Monday evening.

All members should be present.

A prominent manufacturer of Detroit declares that D. M. Parry is injuring the business interests of the country.

Eighty moulders are on strike at Meadville, Pa., because of refusal to curtail the number of apprentices.

"Blue Ribbon" cigars, made by Neville & Gartner, are union made, well made and Lincoln made. All dealers.

The next annual convention of the Seamen's Industrial Union will be held in Cleveland, commencing December 5.

Central Labor Union of Buffalo, N. Y., will impose a fine of \$100 upon any union withdrawing from the central body.

One hundred moulders walked out of the Allyn Brass Foundry company's plant at Cleveland because of the open shop.

The Street Railway Employees' Association is the first labor organization in America to adopt an old age pension system.

The park commission has not yet provided that public skating rink it was talking about during the warm weather.

All the electricians and linemen of the four telephone companies centering at La Crosse, Wis., struck for recognition of the union.

Efforts are being made to adjust the differences which have recently been agitating the dual organizations of carpenters in Milwaukee.

Six hundred men and 800 girls employees of a shirt factory on strike in Philadelphia won an increase in wages and the piece work system.

Fisherman's Protective Union of the Pacific coast is trying to obtain from the federal government a hospital in the Bristol bay region, Alaska.

Chicago printers, besides paying liberal strike benefits to all members out for the eight-hour day, are raising a local defense fund of \$25,000.

Fifty girls employed as coremakers in McNab & Harlin's machine shop at Paterson, N. J., went on strike because the foreman was discharged.

The Union Pacific is going to do an immense lot of building in Nebraska next year, and this will furnish employment to many hundreds of men.

The journeymen carpenters of Southern Massachusetts will early in the spring make a general demand for a wage of \$3 a day and the union shop.

If your union is not represented in the columns of The Wagerworker the fault is probably your own. The Wagerworker wants all the labor news it can get.

There are nine local divisions of the Amalgamated Association of Street Railway Employees in Chicago district, with a membership of approximately 9,000.

The Cigarmakers' International Union won the gold medal at the Lewis and Clark exposition at Portland, Ore., for making the best and most sanitary cigars.

After a strike of five months against the open shop, machinists of East Rutherford, N. J., were victorious, and hereafter the works will be considered union shops.

Glass Workers' International has obtained recognition of the flat wage scale in a little over half of the factories represented in the Manufacturers' Association.

It is said there are but two mines in Illinois working under non-union conditions, and that the operators of both are losing money through the inexperienced men employed.

More than 15,000 miners and smelters of Butte, Mont., are said to be about ready to break away from the Western Federation of Miners and join the United Mine Workers.

A traveling representative of the United Hatters in a western city found seven members of the central body and fifteen members of a local union wearing hats without the Union Label.

Broommakers of Evansville, Ind., on strike against a local factory for several weeks to enforce a demand for living wages, have returned to work. They gained a small increase in wages.

Steps are being taken in Chicago for the formation of an arbitration board of teamsters and team owners, which will adjust all differences which may arise in the future. The various team owners interested have in their employ 15,000 teamsters.

Forty-five damage suits, growing out of evictions of miners last winter, were filed against leading coal companies in the bituminous fields of Charleston, W. Va. The total amount of damages asked for is \$112,000.

Unions affiliated with the United Association of Plumbers, Gas Fitters, Steam Fitters and Steam Fitters' Helpers are considering the advisability of establishing a home for old and incapacitated pipeworkers.

After a hard struggle of over one year, Chicago Bakers' union has succeeded in reaching a settlement in its fight against F. E. Coyne & Co. An agreement was signed and the union label has been granted the firm.

Grand President P. F. Richardson, of the International Association of Car Workers, which is chartered by the A. F. of L., and belonging to Plymouth Rock lodge, Boston, has been suspended from membership in the lodge for one year.

The "Onion Club" is due for another meeting soon. The Omaha branch of the parent Onion wants to hold a couple of joint meetings, one in Lincoln and one in Omaha. This is a scentsible proposition and would make stronger the roots of affection.

Judge Wanty of the United States circuit court at Detroit refused to grant a preliminary injunction to the Grand Trunk railway to prevent its striking machinists and shop employes at Port Huron, Mich., from picketing the company's shops.

Parry's National Association of Manufacturers has issued a circular letter to the daily newspapers containing a veiled threat that if they publish anything favorable to the striking printers they will be boycotted through their advertisers.

Union cigarmakers in San Francisco, who went on strike two weeks ago, have gained the day and will receive a substantial increase in wages. The union has succeeded in securing the consent of all manufacturers but one to pay the new rates.

Trainmen on the New Haven railroad have been notified that whenever they feel they have a grievance they will be entitled to a hearing before the executive officers through any of their fellow trainmen they may select to represent them for that purpose.

Judge Holdom's recent injunction against the striking printers was publicly denounced as a menace to public liberty by the Rev. John F. Loba, of the First Congregational church of Evanston, at a meeting of the Congregational ministers of Chicago Tuesday morning.

A solution of the convict labor problem in every state in the union through the adoption of a prison system similar to that now in effect in New York is suggested by Collis Lovely, vice-president of the Boot and Shoe Workers' Union, who was a member of the recent prison commission.

All the violence in the printers' strike yet reported has come from the employers. A young lady member of the Duluth, Minn., union called on a young woman in one of the struck shops on a personal matter, and the proprietor, observing her, forcibly and even brutally ejected her from the building. He will answer in court to a charge of assault.

The master bakers of Newark, N. J., who recently locked out their union employees in an effort to establish the open shop in violation of contract, are hoisting their strike breakers in a room where flour is stored. These men, 25 in number, both eat and sleep in the same room with the stored flour, in violation of the factory inspection laws of the state.

The Presbyterian Ministers' League of Kansas City, Mo., made overtures to the Industrial Council of that city with a view of securing fraternal affiliation between the two organizations, the object being to bring about a closer relationship between the church and the workmen of Kansas City. The proposal was unanimously adopted by the Industrial Council.

Forty-one states will be represented in the national conference of immigration in New York on February 6, 7 and 8, under the auspices of the National Civic Federation. Owing to the immigration problem, growing out of the recent boycotts and the proposed new Chinese treaty, one day will be devoted to its discussion. Hawaii will be represented by ten delegates.

Cigarmakers' International will soon hold a referendum election of national officers. Indications are that all of the present incumbents will have opposition. General President George W. Perkins will be opposed by J. Mahlon Barnes, of Philadelphia, who is being put forward by a number of the local organizations. Barnes is at present national secretary of the socialist party. Mr. Perkins has proven an efficient official.

It is said there are but two mines in Illinois working under non-union conditions, and that the operators of both are losing money through the inexperienced men employed.

More than 15,000 miners and smelters of Butte, Mont., are said to be about ready to break away from the Western Federation of Miners and join the United Mine Workers.

A traveling representative of the United Hatters in a western city found seven members of the central body and fifteen members of a local union wearing hats without the Union Label.

Broommakers of Evansville, Ind., on strike against a local factory for several weeks to enforce a demand for living wages, have returned to work. They gained a small increase in wages.

Steps are being taken in Chicago for the formation of an arbitration board of teamsters and team owners, which will adjust all differences which may arise in the future. The various team owners interested have in their employ 15,000 teamsters.

All Work Guaranteed.

"THE DIFFERENT STORE"

There are many points of difference between this clothing store and the other clothing stores in Lincoln—and all in your favor. We deal in clothing—not in "hot air." We can sell on a closer margin because we are out of the high rent district. We buy closer because our buyers are constantly on the watch for bargains in the clothing manufacturing centers. And we handle more union made goods than any other clothing house in our neighborhood.

WHAT WE OFFER

- \$7.50 This buys a suit or overcoat that cannot be duplicated for \$10 anywhere in Lincoln.
- \$10.00 This buys a suit or overcoat equal to any \$12.50 or \$15.00 suit or overcoat offered elsewhere.
- \$15.00 This buys as good a suit or overcoat as there is on the market, and good enough for anybody. If you pay more you are paying for the makers name.

IN THE FURNISHING LINE

We yield the palm to no one when it comes to a complete line of furnishings. We can fit you from hat to shoes and with the neatest and best. Our line of Underwear is immense. Our Shoe line as complete as any. WE WANT YOUR PATRONAGE
