

Cook With Gas

The fuel that affords the maximum of service at the minimum of cost and exertion. Five thousand satisfied customers testify to the satisfaction secured by using gas for fuel. The number of customers increases with every passing day. It is the cheapest and cleanest fuel known to modern science. Just a match and a turn of the valve—That's all.

No Dirt—No Smoke—No Ashes

All the heat at once, where you want it, when you want it, as long as you want it, and then the expense ceases. No ashes to empty, no coal to carry, no kindling to prepare, no waste heat, no waiting. Turn the valve, touch the match! When the cooking is done the expense ceases.

The Housewife is Entitled to Labor Saving Devices

When the housewife has a modern Gas Range she cooks the food and not herself. A modern Gas Range makes home happy by making a happy wife and mother. Why not an 8-hour day for the wife as well as the husband?

Makes the Housewife's work a Pleasure, not a Task

Mechanics insist on using the most modern, labor saving tools and machinery. Why not give the wife the same? Good digestion waits on appetite and health on both. A modern Gas Range guarantees the happiness that makes home the dearest spot on earth. Builds health while saving time and money. A trial convinces.

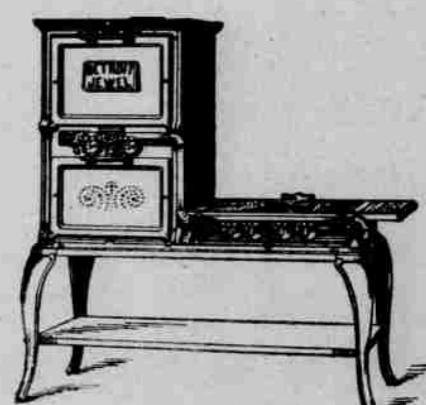

The Expense Fits Your Purse

We will sell you a modern gas range on practically your own terms. The expense of connection is practically nothing. You give your order and we do the rest. Once used the habit is fixed and cooking is no longer a task. It becomes a pleasure. A gas user is a gas booster.

Gas Ranges in All Styles at All Prices

We do not aim to make a profit on gas ranges and water heaters. We handle them for your convenience. Our terms are the most liberal possible. Our sales-rooms are open evenings, and we cordially invite you to call.
