We'll Manufacture the Flour of Quality

You Help Us Make Lincoln a Milling Center

Patronize a friendly home institution that manufactures a superior article and thus help build up home industry. Just as soon as the mill is big enough we'll Unionize it. We want it to reach that size soon, and Union men and women can help us. We are willing to have our product tested by all fair means. We invite comparison with any and all flours. We guarantee every sack to be just what we claim for it. All we ask is a fair trial. If your grocer does not handle Liberty Flour telephone us and we will see to it that you are supplied.

LIBERTY FLOUR THE FLOUR OF QUALITY

Manufactured from the best wheat by the latest improved process. The prime result of experience from buying the wheat to sacking the flour. Ask your grocer for "LIBERTY FLOUR" and take no other. Refuse all "just as good" and substitutes.
