

HENRY SAMUELS

The Working Man's Friend

For Men of Small Means and Women Who Want to Help Their Husbands Save

I realize that for every man of wealth there's a thousand sons of toil—for every millionaire's mansion there are thousands of humble abodes of salaried men. That's why I lend every energy to the service of salaried people—to those who delight in saving money. I want YOUR trade—if you are a man of ordinary means and desire to get the most for your hard-earned dollars. I want to save YOU money—save you every dollar I can. I am in dead earnest in this—thoroughly sincere. I was once a laboring man and can appreciate your position when it comes to buying.
