

A Government Indorsement
Of the World Famous Hot Springs. The Same Treatment Used

By Hot Springs Doctors

Who Are Permanently Located at 14th and O Streets, Lincoln

That the Hot Springs system of treatment is the best in the world for chronic diseases is attested by the fact that after due investigation congress took possession of the Hot Springs of Arkansas in the year 1832 and retained around them a reservation ample to protect them from all encroachments. It was the first national park reservation of the country.

They are set apart by this act as "A National Sanitarium for all time and dedicated to the people of the United States to be forever free from sale or alienation."

The Hot Springs Doctors, who have their Nebraska State Institute located at Fourteenth and O streets, Lincoln, made a close study of these wonderful Hot Springs of Arkansas and so perfected a system of home treatment that it can now be used anywhere, in any home, without annoyance, inconvenience or publicity.

The Hot Springs System of treatment as used by the Hot Springs Doctors has already gained a national reputation as is evidenced by the thousands of testimonials, which are received daily by these specialists at their various institutes which they have established in many of the larger cities of the United States.

In testimony of this World-Famous treatment, Mrs. Roy Breton of Rawlins, Wyoming, writes: "I have been getting along splendidly since I began your treatment. I felt better after the third day. At the end of the first month I had a good appetite and was able to eat more at a time without being distressed afterwards than I had for several years previous. I have not felt that I need the medicine for some time but I will continue to take it as long as it lasts."

This is only a sample of the work done by these noted specialists. If you want to know more about this Hot Springs System of treatment call on or write to the Hot Springs Doctors and you will be furnished with as many names and addresses of patients as you may desire to investigate. They cure all forms of chronic diseases of men and women.

The Hot Springs Doctors are permanently located at the corner of Fourteenth and O streets, Lincoln, Neb. Consultation and examination free.

LINCOLN'S WARNING.
The candid citizen must confess that if the policy of the government, upon vital questions affecting the whole people is to be irrevocably fixed by decisions of the Supreme Court the people will have ceased to be their own rulers.—Abraham Lincoln.

THE SECURITY MUTUAL LIFE INSURANCE COMPANY.

It is a source of great satisfaction to know that the family will be provided for after your death, and at the same time feel gratified that you have done business with a thoroughly safe company, who will promptly and honestly adjust all claims so that the loved ones will not be bothered in the least by delay or inconvenience. In our midst is located the Security Mutual Life Insurance company of Lincoln, Nebraska, one of the most substantial concerns in this section of the country; already many of the homes in Lincoln have benefited through having placed their insurance with this popular company, whose policyholders, one's neighbors, may be found in almost every block in the city. The "Security Mutual" can always be depended upon, and it has been a well known fact for years that the premiums the cost of insurance is within the reach of all, so why be without this protection? This is the home office of the "Security Mutual," and is entitled to the full support of our citizens. This company is handsomely located in their own building at Twelfth and O streets, a cut of which is reproduced at the head of this article. We take pleasure in giving this concern prominent mention at this time.

JOHN H. ROSENSTOCK.
Lincoln is the home of extensive establishments in every branch of trade, and under the favorable trade conditions which prevail here, all forms of commercial endeavor flourish and grow. Prominent among them is the well known wholesale liquor dealer, John H. Rosenstock, whose office is located at 1026-1028 N street. This gentleman carries a most complete line of liquors, cigars, etc., and is distributor for the famous Falstaff beer. This concern has proven to be a successful one, as a very large volume of business is conducted. Their celebrated "Falstaff" beer is the finest of the brewers' art, and is the result of science applied to the brewing of beer. Mr. Rosenstock is a gentleman who understands the business in every detail, and it is due largely to his unceasing efforts that his enormous business has reached its present magnitude.

SECURITY INVESTMENT CO.
The Security Investment Company is one of the oldest as well as the largest companies of its kind doing business in Lincoln. Mr. R. E. Moore, president, and John H. Moore, vice president, have been actively engaged in the real estate and investment business in Lincoln for a number of years, and perhaps no company is better known nor has more prestige than the Security Investment Company, located at 148 South Thirteenth street. This company handles and makes all kinds of farm loans, and does a general investment business. They have built up a large business by progressive business methods, and their knowledge of the needs of the public. This is strictly a home concern, managed by business men who have the best interests of the city at heart, and who have added to a great extent in its advancement. They are well and favorably known and stand high in commercial circles. We take pleasure in giving them prominent mention in this, our Annual Trade Review edition.

LINCOLN DENTAL COLLEGE.
The Lincoln Dental College is too well known to need detailed description. This concern has long been recognized as one of the leading institutions of its kind in the country. This college is thoroughly and scientifically equipped in every detail to which modern science can lay claim. It takes first rank as an institution where the best and most scientific methods are taught, and the doctors in charge of the different departments have enjoyed the best and most complete training by years of experience, and the efficiency of their methods of instruction is evidenced by the ever-increasing number of pupils that enter the school each year. A great many of our young men that have graduated from this well known dental college, are now occupying and maintaining some of the most prominent dental offices throughout the state of Nebraska. The management of this college has on various occasions shown their friendliness toward the cause of those who toil, and should any of our readers or members know of a friend that is contemplating taking a course in a dental school, or should they themselves think of entering a dental college, it will pay them to consider the merits of this school, take up a scholarship, and by so doing patronize a Lincoln institution. The school has since 1903 been associated with our state university where all of the scientific work is taught.

W. T. DUDGEON.
No commercial enterprise is of more service or importance than the neighborhood drug store. Not only do we use his telephone and his city directory and look to him to supply us with postage stamps when father has forgotten to get them down town, but he is also the first to look to when we need a dozen and one other articles. A drug store where only the highest grade of drugs and chemicals are used and sold, and where prescriptions are filled in the most careful and accurate manner, is that of the W. T. Dudgeon Pharmacy, at 1831 O street. He carries a full line of drugs, medicines, toilet articles, stationery, cigars, etc., and by his honest and fair dealings and the merit of his goods he has built up a large and extensive trade. Mr. Dudgeon is a man of the highest standing and enjoys the confidence and esteem of all who know him.

R. C. SCHNEIDER.
A business man who has made a success because he treats everyone square and handles only the best of goods at the lowest prices is R. C. Schneider, whose meat market is located at 309 South Ninth street. Mr. Schneider is a progressive business man, and is well known and popular with all. He has a large trade among those who toil for a daily wage, because he treats them in a considerate manner. All orders receive the most careful attention and are delivered promptly, and he is doing a large business and it is increasing. He carries a large stock of fresh and salt meats, butter, poultry and eggs, and makes a specialty of home dressed meats. When in need of anything in his line call Bell 433; Auto 1433, and you will receive prompt and careful attention, and be treated right.

COLUMBIA FIRE INSURANCE CO.
Every careful and prudent citizen insures against fire. A man who neglects to insure his belongings, whether they are tied up in a home or in a business place, is not a safe man to trust with either. A man who is careless about his insurance is careless in other things and he is not apt to be a very successful man at anything. Of the necessities of insurance it is useless to speak. Every well-balanced man understands the need of insurance and regards insurance as a privilege. The question is the company to place the risk with. The Columbia Fire Insurance Company, located in the Star building, has held a foremost position wherever it has opened offices. It has made a reputation by paying losses fully and promptly. It carries the risks of the most careful and substantial business men, for a risk with this company is as good as if the equivalent sum had been put in the bank to guard against an emergency. The local manager is W. A. Downey, and he is a gentleman of the highest standing, and in this review of Lincoln and Nebraska concerns that is entitled to the

patronage of our members we wish to give this company prominent mention. The following is the ninth annual statement, December 31, 1908:

CITY AND FARM PROPERTY.	
ARE YOU DYING OR KEEPING CLEAN?	
If you are and do not have your work done at Mann's Dye Works, 114 North Fourteenth street, you are surely making a grave mistake. This gentleman is prepared to do all kinds of cleaning and dyeing of all kinds of fabrics and you will have the assurance of knowing that your work is done right. This concern has been established for 25 years, and hundreds of our people that have had work done at this place are willing to testify as to the merits of the work turned out. Mr. Mann pays special attention to all express orders, and goods shipped to him receive prompt attention and are returned at the earliest possible date. Mr. Mann is a gentleman that believes in the future of Lincoln, and is always ready to boost for her whenever occasion presents itself. Our members and readers should remember this concern when in need of anything in his line. If we will all put our shoulder to the wheel and boost by patronizing our home concerns first, and the world afterwards, we will soon have the satisfaction of seeing Lincoln grow to twice its present size.	
MARRINER ELECTRICAL SUPPLY COMPANY.	
One of the popular electrical supply companies of our city is the Marriner Electrical Supply company, located at 1039 N street. This concern is under the management of H. C. Marriner, and they have built up a large business by handling only first-class goods and by giving everyone a square deal. Mr. Marriner has on various times, through the columns of The Wage-worker, asked the patronage of the union men of Lincoln. Everything to be found in an electrical supply house is kept for sale at this place, and we advise our members to let this concern figure with you on your work when in need of anything in their line, and you will be treated right.	
NEBRASKA SIGN CO.—1546 O ST.	
Do you believe in signs? Of course you do and so does every wide-awake business man. There is a vast difference between signs. Some cause a person to merely glance at them, and some of them do not even receive that much consideration. The Nebraska Sign company, located at 1546 O street, make good signs, signs that fairly shout and attract the attention of the public. Mr. O. B. Ramey, who is the manager and owner of this concern, has always held a friendly feeling for our cause and we take pleasure in recommending this company and their methods of doing business.	

SUNLIGHT SANITARIUM.
"Sunlight Sanitarium" is rightly named. Located in the southeast part of the city where nothing but sunlight and good pure Nebraska air predominate is this well known institution. The surroundings are the most pleas-

ant, and the natural advantages are supplemented by modern equipment and modern methods for the cure of the sick. The building, which is produced at the head of this article, is situated on one and a half acres of high ground, and the Traction company's College View cars pass the

door every few minutes. Dr. H. W. Orr, head of department, chronic diseases and deformities of children, also tuberculosis. Dr. C. W. M. Poynter, general surgery and gynecology. Dr. G. H. Walker, resident physician. Miss Mullin, head nurse.
