

PERUNA

For Catarrh of the Throat of Two Years' Standing.

"I was afflicted for two years with catarrh of the throat. At first it was very slight, but every cold I took made it worse.

"I followed your directions and in a very short time I began to improve. I took one bottle and am now taking my second. I can safely say that my throat and head are cleared from catarrh at the present time, but I still continue to take my usual dose for a spring tonic, and I find there is nothing better."—Mrs. W. Pray, 260 Twelfth St., Brooklyn, N. Y.

Howell—How did you come to break your engagement with that girl?
Powell—I had reason to think that she hadn't enough practical knowledge to make her a good helpmeet.

Howell—What gave you that idea?
Powell—I told her one day that the hens weren't laying, and she said she supposed that would affect the price of egg coal.

Natural Solitude.

Invalid Husband—Did the doctor say I was to take all that medicine?
Wife—Yes, dear.

Invalid Husband—Why, there's enough there to kill a donkey.
Wife (anxiously)—Then you'd better not take all of it, John!—Tit Bits

TO SERVE WITH TEA

FRUIT CAKE AS IT SHOULD BE PREPARED.

Full Directions for the Compounding of Delicacy That Will Be Highly Appreciated by the Visitors of the Afternoon.

Use three-fourths of a pound of butter, three-fourths of a pound of brown sugar, one-fourth pint of molasses, 1 1/2 pounds of raisins, one-fourth pound of citron, one-fourth pound of figs, one-fourth pound of almonds, three-fourths of a glass of wine, three-fourths of a glass of brandy and 14 ounces of flour.

One pound of butter, one pound of sugar, one pound of flour, 12 eggs, one-half gill of brandy, one nutmeg, one-half teaspoon of cloves, two teaspoons of cinnamon, 1 1/2 pounds of raisins, 1 1/2 pounds of currants, one pound of citron. Chop part of the raisins fine. Beat the butter and sugar to a cream, whisk the eggs until thick and add them by degrees. Then add the brandy and flour with the spice, and lastly the fruit. Mix all well together. Paper your pans and put in the mixture; spread it smooth with a knife and bake in moderate oven four hours, says the Philadelphia Inquirer.

Take one cup of butter, 1 1/2 cups of brown sugar, one-half cup of sour cream, two cups of flour, three eggs, one pound of seeded raisins, one-half pound of currants, one-fourth pound of citron, one teaspoonful of soda, same of cinnamon, one-half nutmeg, one-half teaspoonful of cloves; chop the raisins, slice the citron very thin and have the currants all washed beforehand; set the butter where it will get soft, but not melt; beat the eggs until the whites and yolks are well mixed, then add the sugar and beat until very light. Add butter and mix thoroughly; measure the flour, dredge the fruit with one-fourth of it and mix all the fruit and spices together. Dissolve soda in a teaspoonful of warm water and add to the cream; then add the cream to the butter, sugar and eggs; add the flour, mix well, mix the fruit in thoroughly, last. This makes one large or two small loaves, and will keep a year.

Weigh one pound of butter, one pound of light brown sugar, one pound and two ounces of flour, two pounds of dried currants, two pounds of ordinary seeded raisins, two pounds of sultanas and 1 1/2 pounds of citron cut into strips. Measure one gill of cream, one-half pint of brandy, two tablespoons of ground cinnamon, one each of mace, cloves and allspice. Grate two nutmegs. Break a sufficient number of eggs to fill a pint measure. Rub the butter and sugar together, but do not beat them. Whip the eggs until perfectly smooth and thick and stir them with the cream into the butter and sugar, adding one-third at a time and working until perfectly smooth.

Mix the flour with the spices and the fruits until they are evenly distributed; then add them to the mixture and stir lightly together. Add one tablespoon of orange-flower water and beat the whole vigorously. Bake in a moderate oven for three hours. Do not turn out of the pan until cold; then rub lightly with flour and wipe off with a dry cloth and store away until needed. This cake is improved by age, and many persons make them a year ahead of time.

Table Protection.

After all, there is really no better protection to dining table than the asbestos pads. They come in all sizes and once bought do not need renewing. Round or square shape, measuring 18 to 24 inches, a pad will cost \$5; 25 to 30 inches, \$5.50, and 31 to 36 inches, \$6. Leaves 12 inches wide, or less can be had for \$1, and leaves over this number of inches will cost \$1.25. A table so covered will be prepared to receive hot dishes upon any spot over its entire surface.

Frozen Apricots.

You can have frozen apricots in your freezer made as follows: One can apricots, two cups granulated sugar, one pint cream. Cut up apricots, add sugar and one quart water. Let stand an hour. Mix well to thoroughly dissolve sugar. Half freeze, add whipped cream. Pack and let stand 1 1/2 hours, or until firm. Strawberries, pineapples, cherries, peaches, etc., may be treated the same way. Equal parts fruit and sugar, with a little cream if you like. Frozen like apricots.

Hint for Using Paraffin.

When using paraffin for sealing all serious and often fatal accidents as well as the disagreeable smoke in the house can be avoided if the dish containing the paraffin is placed in a large vessel containing hot water. When the paraffin is melted remove from the stove and the water will keep the wax hot until all sealing is done.

Soda to Clean Pots.

When anything has been cooked in a pan and stuck to it, making the job of washing it hard and tedious, fill the pot with boiling water and add a teaspoonful of soda. Let the water stand in the kettle until the next dish-washing and it will be easy to clean.

Keep the Water Boiling.

In steaming or boiling a pudding, as the water boils away, add more boiling water. If colder water is added, for a short time at least, the foodstuff will not be boiling, and this state of affairs may prove disastrous to the pudding.

AILING WOMEN.

Keep the Kidneys Well and the Kidneys Will Keep You Well.

Sick, suffering, languid women are learning the true cause of bad backs and how to cure them. Mrs. W. G. Davis, of Groesbeck, Texas, says: "Back-aches hurt me so I could hardly stand. Spells of dizziness and sick headaches were frequent and the action of the kidneys was irregular.

Soon after I began taking Doan's Kidney Pills I passed several gravel stones. I got well and the trouble has not returned. My back is good and strong, and my general health is better."

BABY'S WATERY ECZEMA
Itched and Scratched Until Blood Ran—\$50 Spent on Useless Treatments—Disease Seemed Incurable.
Cured by Cuticura for \$1.50.

"When my little boy was two and a half months old he broke out on both cheeks with eczema. It was the itchy, watery kind and we had to keep his little hands wrapped up all the time, and if he would happen to get them uncovered he would claw his face till the blood streamed down in his clothing. We called in a physician at once, but he gave an ointment which was so severe that my babe would scream when it was put on. We changed doctors and medicine until we had spent fifty dollars or more and baby was getting worse. I was so worn out watching and caring for him night and day that I almost felt sure the disease was incurable. But finally reading of the good results of the Cuticura Remedies, I determined to try them. I can truthfully say I was more than surprised, for I bought only a dollar and a half's worth of the Cuticura Remedies (Cuticura Soap, Ointment and Pills), and they did more good than all my doctors' medicines I had tried, and in fact entirely cured him. His face is perfectly clear of the least spot or scar of anything. Mrs. W. M. Comer, Burt Cabins, Pa., Sept. 15, 1908."

Letting Him Down Easy.
A young man of very limited means, after the marriage ceremony, presented to the minister 27 large copper cents, all spread out on the palm of his right hand. "This is all I've got, parson," he said. Seeing a disappointed look in the minister's face, he added: "If we have any children we will send them to your Sunday school."—Success Magazine.

Jess Said Her Prayers.
One day three-year-old Baby Jess was visiting her grandmother, who was very devout. She asked Baby Jess if her mother had taught her to say her prayers.
Jess answered: "Yes, ma'am."
"Whom do you pray to, dear, and ask to forgive your naughty ways?"
"Sometimes I pray to mother's knees and sometimes to the bed."—Delineator.

Unlikely.

POTATO MAKES PROUD BOAST.

Humble Vegetable Used for Many Other Purposes Than Recognized Dinner Essential.

Whenever you lick a postage stamp you partake of me, since all lickable gums are made from dextrine, one of my products.

Your neck caresses me all day—for the starch that stiffens your collar is made from the potato.

The bone buttons on your underwear are probably "vegetable ivory"—compressed potato pulp.

My leaves, dried, make a good smoke. You have often smoked them "unbeknownst," mixed with your favorite brand.

Potato spirit is a very pure alcohol. It is used to fortify white wines. Many a headache is not so much due to the grape as to the potato.

I yield a sweet syrup. In this form I am often present in cheap cocoa, honey, butter and lard.

Let the corpulent try as they will, they cannot escape yours truly, THE POTATO.

Laundry work at home would be much more satisfactory if the right Starch were used. In order to get the desired stiffness, it is usually necessary to use so much starch that the beauty and fineness of the fabric is hidden behind a paste of varying thickness, which not only destroys the appearance, but also affects the wearing quality of the goods. This trouble can be entirely overcome by using Defiance Starch, as it can be applied much more thinly because of its greater strength than other makes.

Perfectly Reckless.
The members of the church voted that their dearly-loved and devoted pastor should have a vacation, and so he decided that he would visit a brother-worker in the neighboring village. This good brother recognizing his fellow-worker in the Lord way back among the congregation, on Sunday morning, and wishing to show every courtesy, asked him to lead in prayer. But the visitor calmly replied: "You'll have to excuse me, dear brother, I'm on my vacation."—Ladies' Home Journal.

Foolish Question.
A New York chap wants to be told why theater tickets in that city do not indicate the hour of the beginning of the performance. Should think he would know. The hour is not mentioned because nobody is ever on time at the beginning of the performance. What would be the good of wasting printer's ink?

Do You Feel Like This?
Does your head ache or simply feel heavy and uncomfortable? Does your back ache? Does your side ache? Do you feel fagged out? The tonic laxative herb tea known as Lane's Family Medicine will clear your head, remove the pain in side or back and restore your strength. Nothing else is so good for the stomach and bowels. At druggists' and dealers', 25c.

Cleaning the Stage.
"We hope," said the spokesman of the committee, "to enlist your support in favor of a clean stage."
"You have it," responded the theatrical manager, heartily. "Why, almost every one of my plays opens with a girl dusting everything in sight."

Let Me Tell You Something

A woman who is sick and suffering, and won't at least try a medicine which has the record of Lydia E. Pinkham's Vegetable Compound, is to blame for her own wretched condition.

There are literally hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read what these women say:

Camden, N. J.—"It is with pleasure that I send my testimonial for Lydia E. Pinkham's Vegetable Compound, hoping it may induce other suffering women to avail themselves of the benefit of this valuable remedy."

"I suffered from pains in my back and side, sick headaches, no appetite, was tired and nervous all the time, and so weak I could hardly stand. Lydia E. Pinkham's Vegetable Compound made me a well woman—and this valuable medicine shall always have my praise."—Mrs. W. P. Valentine, 902 Lincoln Ave., Camden, N. J.

Since we guarantee that all testimonials which we publish are genuine, is it not fair to suppose that if Lydia E. Pinkham's Vegetable Compound had the virtue to help these women it will help any other woman who is suffering from the same trouble.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice—it is free and always helpful.
