

HERE'S A UNION MAN

Clark Dailey, of Havelock

There are several reasons why Mr. Clark Dailey is entitled to receive the republican nomination for the position of county commissioner, and a most important reason why the working people should vote for him. He deserves the support of the working people because he is a working man himself and a union man also. Mr. Dailey is a progressive man and is public spirited to a high degree, and

if nominated and elected will do all in his power for the advancement of better roads and bridges in Lancaster county. As Mr. Dailey is a union man it is not necessary to comment further as to advisability of our members supporting him, as a vote for him means a vote for a friend. When you go to the polls to cast your ballot August 17, remember Brother Clark Dailey.

WILLIAM C. SEVERIN.

The position of county treasurer is one of the most important within the gift of the voters of the county. In Mr. Wm. C. Severin, the present deputy treasurer, we have a gentleman who has filled this position in a highly creditable manner. He has served the people faithfully and is thoroughly familiar with the work of the office. He has always been willing to assist the taxpayers in giving them any information pertaining to the

office at any time, and has been accommodating and courteous with all who have had business with the office. Mr. Severin has always been friendly in his attitude toward the cause of organized labor, and our friends will make no mistake in voting to give him the nomination to this important office. He has never held public office as have a number of his opponents, and is entitled to your support. If nominated and elected he will give the office careful and able attention.

H. V. HOAGLAND.

It is the custom by common consent, to accord a county officer who has served acceptably for one term, the right to a second. Most fair-minded men agree to this. Mr. Hoagland is a candidate for the nomination for reelection on the republican ticket. There is an old adage that it does not pay to swap horses in the middle of a stream, and the many friends of Mr. Hoagland contend that the phrase holds good in this instance. By his fair and impartial manner in conducting the sheriff's office he has won the esteem and respect of all and it is for the best interests of the people that he should be his own successor. If he is nominated and re-elected to this important position the citizens of Lancaster county can have every assurance that the office will be conducted along the same careful, conservative lines in the future as it has in the past.

A. L. SULLIVAN.

In Mr. Sullivan the people of Lancaster county have a candidate on the Republican ticket who has been tried and not found wanting. Mr. Sullivan is the man who was appointed in 1896 to finish an unexpired term as county treasurer, and whose work in the appointed office proved so successful and satisfactory that he was re-elected in 1897. This record speaks

for itself as to his ability and integrity to properly serve in this, one of the most important offices within the gift of our voters.

Mr. Sullivan is one of the pioneer business men of the county. He has been in the live stock business here since 1888, and he assisted to an extent that is hardly comprehensible in increasing both the quantity and quality of our improved live stock in the county and state. Mr. Sullivan, like other live stock men, has performed a great and valuable service to his county, his state and his nation, whereby they and their citizens have become greatly enriched. In short, he has been a true patriot and a good citizen.

Mr. Sullivan has always been a warm friend of the laboring man as his record will show. He has given hundreds employment and befriended hundreds more in his liberal way. The union man can find no better or more considerate friend for whom he may cast his vote.

O. C. BELL.

Herewith we present a likeness of O. C. Bell, who is a candidate for county clerk. Mr. Bell is a prominent business man of Lincoln, and is

thoroughly capable of conducting the office in a business-like manner. The laboring men of Lancaster county will not make a mistake if they give him their support. Mr. Bell has lived in Lincoln thirty-seven years.

LOUIS HELMER.

One of the strong men in the race for the republican nomination for county treasurer of Lancaster county, is Mr. Louis Helmer, who is one of the best known men in the city and county. A man of strong character, even temperament, good sound judgment,

if nominated and elected would do his duty at all times. He is a business man of ability and the highest integrity, and he has a host of friends who are working and aiding him in his campaign. Mr. Helmer is qualified in every respect for this high position and the voters should give his candidacy their thoughtful consideration. As a man and a citizen he has the highest standing and is known as a gentleman who will serve the people faithfully.

**Moore's
Stoves
Always
Please**

A RANGE
constructed to bake perfectly, to save fuel and to save work.

The Glass Door
When we introduced the glass door many people were skeptical about its durability. Today hundreds of Moore's Ranges are being used in homes of intelligent housewives, and the glass oven door is proving its excellent worth. It is found only on a Moore's Range.

The Hinge Top
A most convenient device which lightens the work. Toast made in a minute without any smoke. Meat broiled over the oven coals by simply pulling the chain and lifting the stove top. This is an exclusive Moore's feature.

The Anti-Scorch Lid
Impossible to burn foods if cooked on a Moore's Range. Simply place them on the anti-scorch lid. No extra work.

The Nut Shell
Moore's Range has no equal. Costs nothing to see it. It excels in quality of construction. No stove approaches it in labor-saving devices. The gas attachment is both new and economical. We urge you to examine a Moore's Range before you buy.

MINOR S. BACON.

Republican candidate for re-election for justice of the peace.

A. J. MORRIS.

The office of Register of Deeds is a very important one, and the voters should see that they cast their vote for the best man fitted for the office. Mr. A. J. Morris is a candidate for the nomination on the republican ticket for this important office and is receiving

the support of a host of friends. The union men of our city should at all times vote for those whom they know to be friendly toward their cause and a vote for A. J. Morris means a vote for a friend. If Mr. Morris receives the nomination, and is elected to this high position, he will devote his time and attention to the office in

a manner that will reflect credit on himself and the citizens of Lancaster county. He will represent all the people and not any certain class. Mr. Morris has served the people of this city in the capacity of secretary of the board of education for the past ten years in a commendable manner, and is well qualified to fill the position to which he aspires.

FORREST M. MOORE.

Among the many candidates to be voted for at the primary election to be held August 17, there is no man on the republican ticket who is better known, whose record is cleaner, nor whose fitness for the position sought appeals stronger to the intelligent voter than those of Forrest M. Moore, candidate for the office of register of deeds. "Forry," as he is familiarly known, was born in Lancaster county. He is at present a deputy in the office for which he is asking the nomination, and is thoroughly familiar with the workings of the office. If nominated and elected, he would conduct the affairs of the office in a creditable manner, serve no particular class, and all would receive a square deal. Mr. Moore is a friend to the man who toils for a daily wage, and any support given him will be appreciated.
