We employ the most expert millers that money can secure. Their product is the BEST.

Q **MODERN MILLS**
The Lincoln Mills are equipped with the *Latest* and *Most Scientific* Machinery.

We Stand on the Quality of Our Output

"Liberty Flour," made from the best wheat in the world --Nebraska hard wheat--*has no superior.* We point to the record for proof of

this claim. It has more constant users than any other Nebraska flour, and the number increases daily. Our best advertisers are the housewives who are constant users of *"Liberty Flour."* We spare neither pains nor expense to make *"Liberty Flour"* everything that the economical housewife needs and has a right to demand. We have made this brand of flour standard the country over, and we intend keeping it there. We have our own elevators, buy our wheat direct, and are able to select it with the utmost care--and that care is always exercised. The mills are equipped with the best milling machinery that money can buy, and we employ the most expert millers obtainable. When you buy *"Liberty Flour"* the money remains in Nebraska, and helps swell the volume of home business. And Nebraska wheat, used exclusively by us--is used to by millers of other states to grade up their own wheat.

The Oven Test is Always Best

"Liberty Flour" courts the test of the oven. It makes more and better bread, than other brands. It is the delight of the economical housewife. It is the joy of the "bread and butter" brigade. It is a home product that we are proud of and recommend to you. It carries our guarantee at all times.
