The proprietor of this superior Rancho,
having, at a heavy expense, added to its

city renders his herd safe from loss, and
gives him a wider range for stock than can
be had elsewhere. Having a No. 1 rancho,
superior corrals and trusty herders, he
flatters himself capable of giving entire
satisfaction to all who may favor him with
their patronage.

This rancho being at a point where the
great "Colorado and Golden City wagon
road" crosses, contains 320 acres, well-
timbered and grassed, and is at the same

try, being fifteen miles from Denver, and
nineteen from Golden City. All stock
guaranteed against loss, save from death.

The proprietor has also erected a ware-

New Route to the Gold Mines!
Platte River Ferry,
MOUTH OF THE CACHE LE POUVRE RIVER.

JOHN S. SMITH, & CO.,
Have established a FINE ROPE FERRY across the South Platte
at the above-named Point—where Emigrants can be crossed without
detention. And all Emigrants and Teams, who wish to save the
sand on the South Platte, will cross the same to the North side, at
the Salt Lake Crossing (mouth of Lodge Pole Creek), thence by John
Smith's trail, on which they will find good grass, wood, and water,
as no place further than eight miles apart, with no sand on the route,
and a saving of SEVENTY-FIVE MILES in distance to the mouth
of the Cache La Poudre River; which makes this the shortest and
best route, yet discovered to the mines—and Emigrants will save
time, stock and money by this route, to which we invite the attention
OF ALL TRAVELERS TO THE KANSAS AND NEBRASKA

Gold Mines.
