

YOUR DOCTOR

May tell you that your case is incurable, that medical science is unable to help you, that all you can expect is temporary or slight relief that no advertised article or remedy or prescription can do you any good. Well, let him think so. He is certainly entitled to his opinion. You need not think so unless you wish to. Do you wish to?

Many people whose testimony appears on this page and in the books and pamphlets issued by the Theo. Noel Company were told that their cases were hopeless, helpless, incurable, yet—read their testimony. Many were told that they had but a few short years—some but months—to live, yet—read their testimony. All we ask is your investigation and at our expense, regardless of what you may have been told or what your trouble may be. There are more things in heaven and earth than are dreamed of in the doctor's philosophy, and Vite-Ore is one of them. Its composition is one of nature's secrets—not a trade secret—its formation an enigma to the scientist, its action a puzzle to the medical student, its power a boon to the afflicted. Read our special offer to readers of this paper and give nature's remedy a trial at our risk.

MAKE NATURE YOUR DOCTOR

MEDICAL SCIENCE has failed to improve upon or even equal the remedies found in a free state in healing mineral springs. Physicians, the oldest and best, the newest and learned, acknowledge this to be a fact and when they encounter a disease which is not amenable to the action of drugs, they pack the patient off to Carlsbad, Saratoga, Baden, there to drink the waters which contain the essential properties for the restoration of health and the patient returns—fresh, healthy, in mind and body. If the patients cannot afford the trip, and few but the wealthy can, they must continue to suffer, as the waters deteriorate rapidly, and when transported fail to produce the desired results.

A LETTER TO THE THEO. NOEL COMPANY, CHICAGO, will bring a healing spring to your door, to your own house, your chamber—will bring to you VITE-ORE, a mineral spring condensed and concentrated, a natural God-made remedy for the relief and cure of the ills with which man is afflicted. Why continue to suffer when this natural curing and healing Ore, nature's remedy, can be had for the asking, when you can have

A HEALING MINERAL SPRING AT YOUR DOOR.

WHAT VITE-ORE IS... Vite-Ore is a natural, hard, adamantite rock-like substance—mineral-ORE—mined from the ground like gold and silver, in the neighborhood of a once powerful but now extinct mineral spring. It requires about twenty years for oxidation by exposure to the air, when it slacks down like lime and is then of medicinal value. It contains in part free iron, free sulphur and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE when mixed with a quart of water will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Diphtheria, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Dropsy, Stomach and Female Disorders, Malarial Fever, La Grippe, Nervous Prostration and General Debility, as thousands testify, and as no one, accepting this offer and writing for a package, will deny after using. **READ OUR SPECIAL OFFER:**

Rheumatism

Vite-Ore will cure Rheumatism, even in chronic, diagnosed as incurable cases. Liniments and plasters are but a makeshift. Alkalies and the remedies that are almost invariably prescribed, fall to cure because they weaken the digestion, irritating the delicate lining of the stomach, thus impairing instead of building up the system. Vite-Ore is absorbed into the blood, neutralizing the acid secretions, rendering them harmless for evil, and gradually eliminates them from the system. The thin acid blood is made pure and rich, nourishes and soothes the irritated nerve tissues, cools the hot, throbbing muscles, dissolves the hard, calcareous matter that has collected in the joints, and it passes out of the system. Cures with Vite-Ore are permanent and lasting.

Mount Holly Springs, Pa.—I have used Vite-Ore for Rheumatism, which disease I had so bad that I could not get out of bed. I used doctors' medicines, but they did me no good. I used but two packages of Vite-Ore and it cured me effectually and permanently, as it is now more than two years since my cure. It is worth its weight in gold for Rheumatism and Lumbago, and will do for these diseases what doctors cannot.—David Lightner.

Pawnee, Okla.—I have used Vite-Ore and was cured by it of Inflammatory Rheumatism of nine years' standing; have recommended more than one hundred people to use Vite-Ore and know of many cures which it has made heretofore. I gladly recommend it to all sufferers.—Wm. Bowen.

Springfield, Mo.—I was attacked with Fever, and when the Fever was broken up, Rheumatism settled in my left knee so badly I was hardly able to walk except on crutches. I saw an advertisement of Vite-Ore and sent for some. Before one package was entirely used I discarded the crutches and took to a cane. I sent for another package, used it and am happy to state that I now walk the earth a man free from rheumatic affections. I honestly believe it to be the best medicine on earth for most of the ills flesh is heir to. This was two years ago and I have had no return of the trouble, and am willing to have the published for the benefit of suffering humanity. Everyone here that has used Vite-Ore speaks very highly in its praise.—Jeremiah W. Butler, 2300 Springfield Ave.

Stomach Trouble

Vite-Ore contains as its constituent parts elements which supply to the stomach those vital forces necessary for the proper digestion and assimilation of food. Taken after meals, the food is digested before it has time to sour and ferment. It gives to the stomach what it lacks when in a diseased condition, thoroughly cleanses the intestines, removes all irregularities, and invigorates and stimulates all parts to a performance of the proper functions, makes your food feed you, the body, with rich, flowing, red blood, builds up strength in muscle and nerve tissue, causes a healthy normal action in the secretory and excretory organs, and gives that feeling of relief and comfort so desired by all.

Ottawa, Kas.—I have been bothered for a number of years with what some of the best doctors of Kansas City pronounced Neuralgia of the Stomach or Nervous Dyspepsia, for which they and others treated me, but gave me no relief. About nine months ago I commenced taking Vite-Ore and in all that time have not felt my old trouble. It has cured my stomach and I have had better health than for years. I can honestly recommend Vite-Ore to any one suffering with Stomach Trouble.—Jos. D. Jones.

Lynnville, Tenn.—I can say that your Vite-Ore has been of great benefit to me, in fact has done me more good than all the medicines I have taken in the past years. My stomach has not troubled me since I have been taking this remedy. I will recommend it to every one suffering with stomach trouble. At present I am able to eat anything and give Vite-Ore all the credit.—Mrs. T. G. McMahon.

Don't say your case is incurable. Give Vite-Ore a trial first; it has cured others and will surely cure you. Remember, it is different from any other remedy in the world. It is not a man-made mixture of bitter herbs, or a sweetened dope, but is as superior to such decoctions as the electric light is to the tallow candle. You cannot lose by accepting our offer.

Catarrh

Vite-Ore will positively cure catarrh of any organ or part of the body, used in the manner prescribed in our printed directions. It is a natural astringent, possessing qualities as such which it seems impossible to duplicate in any manufactured or artificial product and immediately allays all inflammation, stops all morbid or irregular action on the membrane, eradicates all catarrhal conditions and places each organ in a natural, normal, healthy condition, so as to faithfully perform its individual function, thus restoring the entire system to a state of perfect health.

Scuffletown, Ky.—Vite-Ore has cured me of Rheumatism, Kidney Trouble, Cough, Sore Throat and Catarrh of the Bowels. I have taken Vite-Ore six months. It seems to heal all complaints.—Jacob Hix.

Central Lake, Mich.—I have been very low with Catarrh of the Stomach and Bladder. I could not walk without a cane. My stomach would fill with gas and was in such misery that I could hardly breathe. After a short treatment with Vite-Ore I have laid aside my cane and am much better than I have been for the past three years.—W. H. Stoddard, Box 27.

Estabutchie, Miss.—I suffered for three years with Catarrh of the Bladder, Bowel Disorders and Kidney Trouble, which troubled me so badly that I scarcely got a night's sleep. Four of the best doctors in this neighborhood failed to cure me. Five dollars' worth of Vite-Ore did me more good than all the drugs I have ever taken, and also cured my leg of a sore which the doctors said was Blood Poison and had failed to cure. I can recommend Vite-Ore from a personal test.—Warren Mott.

Constipation

Chronic constipation may be relieved, but never cured by cathartic remedies. Drastic cathartics, to purge the bowels, are of little value and do injury by forcing the intestines to action by an artificial stimulation, which cannot be other than retro-active in its effects. A cure can be brought about only by a thorough renovation and strengthening of the stomach and intestines, the placing of the same in a normal, natural, healthy, strong condition. Vite-Ore cures constipation as it cures diarrhoea, by eradicating the disturbing or obstructing causes.

Brockville, Fla.—I have tried Vite-Ore and know that it has the virtue claimed for it, as it relieved me of Constipation that had followed me for forty-five years, and for which I tried many remedies, but none gave me any permanent relief except Vite-Ore.—J. O. Smith.

Watsela, Ill.—I cannot praise Vite-Ore too highly, especially when I consider how it cured me of Constipation. I have never seen its equal.—B. F. Hathaway.

Kidney Trouble

Vite-Ore has cured thousands of old chronic cases of diabetes, has brought relief to case after case where patients suffered excruciating agony through the presence of gravel, and has cured hundreds of cases of Bright's Disease, where the patient had lost all hope.

Tallassee, Ala.—My family physician, Dr. Jas. T. Ruskin, says that Vite-Ore has prolonged my life and he thinks it a wonderful discovery. I had Kidney and Bladder Trouble and Rheumatism. It benefited when all else failed. I have been taking it for the past five years at irregular times and would not be without it.—Mrs. Ellie Gaunt.

Dido, Va.—I was taken ill with Gravel last January and would have died but for Vite-Ore. Your advertisement persuaded me that it would help me, so I took it and after nine doses the stone was passed. I cannot praise Vite-Ore highly enough.—Joseph E. Mercer.

Thomasville, Ga.—Vite-Ore has done more for myself and others than anything which I have ever used. It has entirely freed me of Bright's Disease and Rheumatism, from which I suffered greatly; in fact, I felt that my time on earth was short. Vite-Ore is the best thing that I have found and I have practiced medicine since 1859.—J. B. Watkins, M. D.

Brother H. T. Willson of the Gage County Herald takes fusion papers to task because they published those bulletins "issued under authority of the railroads of Nebraska." There is some merit in his contention, but the fact is that populists and democrats do not give their own papers the support they deserve, and if an editor were to exclude every paying advertisement

which might have effect on the political views of his readers—well, he might go hungry at times. Most of the farmers seemingly cared nothing about the tax question. They are willing to pay more than their share in order that Mark Hanna will continue to let it rain in Nebraska. They will help pay from half a million to a million dollars this year that the rail-

road stockholders ought to pay, and a like amount next year and the year after—but what do they care so long as Mark lets them raise good crops?

John A. Barker of the Franklin Sentinel says that in Franklin county alone over 400 taxpayers voted to "let well enough alone" by staying at home on election day. In view of the way

Franklin county has had the worst of it in the matter of railroad taxes since 1889, this is, to say the least, surprising.

The Independent regrets to note that R. D. Sutherland was defeated for county attorney down in Nuckolls, losing by only 43.
