

Your Heart.

When Your Heart Fails to Pump Your Blood, Trouble Results.

Have you heart trouble? You have, if you find it hard to breathe after walking up stairs, exercising, etc. If you have pain in your left side, in chest, back or shoulder. If you suffer from cold extremities, pale face, blue lips, dry cough, swollen ankles. If you have fainting spells, breast pang, palpitation, redness of the face, discomfort in sleeping on one side. The only scientific treatment for this whole train of troubles is Dr. Miles' New Heart Cure. Dr. Miles' New Heart Cure is the prescription of a famous specialist, whose great success in treating obstinate nervous heart disease has made his name pre-eminent in the medical and scientific world. The medicine will cure you. We know it. We want you to prove it. If first bottle does not benefit, your druggist will give you back your money. "I have for several years suffered at times with heart trouble. I got so bad I could not sleep half the night, and had to sit up on the side of the bed lots of times to get breath. Three of my brothers have died of heart trouble, and I thought I was going the same way, but about two and a half years ago I got a pamphlet about Dr. Miles' New Heart Cure and thought I would try a few bottles. After using them I recovered, and have had better health since then than before for several years. I can heartily recommend them for heart trouble."—REV. JERRY HURT, Pastor Baptist Church, Hurt, Kans.

ORGANIZED AGRICULTURE

Annual Meetings of the Association for the Promotion of Agriculture, etc.,
 Lincoln, January 18 to 23

Programs are now being distributed announcing the annual meetings of the associations for the promotion of agriculture and animal husbandry in Nebraska, to be held in Lincoln, January 18 to 23. Headquarters will be at the Lindell hotel. The railroads have made a rate of one fare plus 50 cents from all points in Nebraska to Lincoln and return, except where the open rate and one-third makes less. Meetings will be held at the University farm; street cars run directly there.

Nebraska state board of agriculture will meet in the chapel of Memorial Hall, state university, January 19 to 21. J. B. Dinsmore, president, Sutton. Prof. W. A. Henry, dean of the agricultural college, university of Wisconsin, will address this meeting Wednesday, January 20, at 8 p. m.

Nebraska state swine breeders' association will convene in the stock judging room, University farm, January 19 at 9 a. m. R. M. Blodgett, president, Beatrice.

Nebraska improved live stock breeders' association will convene in the stock judging room, University farm, January 20, at 9 a. m. Wm. Ernst, president, Graf.

Nebraska dairymen's association will meet at room 201, dairy building, state farm, January 20 and 21. J. K. Honeywell, president, Lincoln.

Nebraska state horticultural society meeting will be held in the new horticultural building, University farm, January 19 to 21. G. S. Christy, president, Johnson.

Nebraska corn improvers' association meeting and winter corn show will be held January 19 to 22. Meeting at room 207, experiment station building. Lee Smith, president, De Soto.

Nebraska Duroc-Jersey breeders' association will meet in the afternoon, January 18, at the Commercial club rooms.

Nebraska shorthorn breeders' association will meet January 21 in the dairy building, state farm.

Association of agricultural students will hold its fourth annual meeting January 18 at room 207, experiment station building. Ben Maiben, president, Palmyra.

Nebraska park and forestry association meeting will be held at horticultural building, University farm, January 12. C. S. Harrison, president, Franklin.

Nebraska state poultry association will hold its show at the auditorium. Hon. T. L. Norval, president, Seward.

Nebraska irrigation association will meet January 21 in room 205, experiment station building. A. G. Wolfenbarger, president, Lincoln.

Nebraska public library commission will be represented at the various meetings.

Nebraska veterinary association will meet in joint session with the board of agriculture, January 20. Dr. H. Jensen, president, Weeping Water.

Nebraska bee keepers' association will meet January 18 at the experiment station building, state farm. E. Whitcomb, president, Friend.

Co-operative grain and live stock association will meet January 21. J. S. Canaday, president, Minden.

Among the men of distinction from outside the state, who will be present and deliver one or more addresses, The Independent notes the following: Prof. Henry, Prof. C. G. Hopkins of the Illinois agricultural experiment station. Prof. J. H. Skinner of the Indiana experiment station. Dr. J. H. McNeill of the Iowa experiment station. Joseph E. Wing of the Breeders' Gazette. Prof. O. Erf of Kansas agricultural college. Prof. Geo. G. Hedgecock, assistant pathologist, botanical gardens, St. Louis. J. M. Irwin of the Western Fruit Grower, St. Joseph. C. A. Shamel, Chicago. Prof. F. W. Taylor, chief of agriculture for the St. Louis exposition. Col. W. A. Harris, secretary of the national shorthorn breeders' association, Chicago. Prof. John Hamilton, farmers' institute specialist for the U. S. department of agriculture. H.

H. Carr of the farmers' commission house, Chicago.

This is a grand opportunity for Nebraska farmers to spend a week at the Capital City. The Independent is not advised as to where programs can be secured. Possibly any of the presidents can furnish them (the entire lot are bunched together in a neat pamphlet) or it might be well to write Prof. A. E. Davisson, principal of the school of agriculture, Lincoln.

For Singers and Speakers.

The New Remedy For Catarrh is Very Valuable.

A Grand Rapids gentleman who represents a prominent manufacturing concern and travels through central and southern Michigan, relates the following regarding the new catarrh cure. He says: "After suffering from catarrh of the head, throat and stomach for several years, I heard of Stuart's Catarrh Tablets quite accidentally and like everything else I immediately bought a package and was decidedly surprised at the immediate relief it afforded me and still more to find a complete cure after several weeks' use."

"I have a little son who sings in a boys' choir in one of our prominent churches, and he is greatly troubled with hoarseness and throat weakness, and on my return home from a trip I gave him a few of the tablets one Sunday morning when he had complained of hoarseness. He was delighted with their effect, removing all huskiness in a few minutes and making the voice clear and strong."

"As the tablets are very pleasant to the taste, I had no difficulty in persuading him to use them regularly."

"Our family physician told us they were an antiseptic preparation of undoubted merit and that he himself had no hesitation in recommending Stuart's Catarrh Tablets for any form of catarrh."

"I have since met many public speakers and professional singers who used them constantly. A prominent Detroit lawyer told me that Stuart's Catarrh Tablets kept his throat in fine shape during the most trying weather, and that he had long since discarded the use of cheap lozenges and troches on the advice of his physician that they contained so much tolu potash and opium as to render their use a danger to health."

Stuart's Catarrh Tablets are large pleasant tasting lozenges composed of catarrhal antiseptics, like Red Gum, Blood Root, etc., and sold by druggists everywhere at 50 cents for full treatment.

They act upon the blood and mucous membrane and their composition and remarkable success has won the approval of physicians, as well as thousands of sufferers from nasal catarrh, throat troubles and catarrh of stomach.

A little book on treatment of catarrh mailed free by addressing F. A. Stuart Co., Marshall, Mich.
