CATARRH CANNOT BE CURED
with local applications, as they can-not reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best known tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two in-gredients is what produces such won-derful results in curing Catarrh. Send for testimonials free.
