IAMS' HORSES

Well, well! Cheer up! Get busy—Iams' peaches and cream are ripe. They were sensational "show horses," "live whirlwinds" at the Nebraska State Fair. (He had a snap.) Iams had a whole barn full of prize winners there. Iams won first on four-year-old Percherons in class of thirty-two (an easy victory). Also championship sweepstakes Percheron stallion over all, and many more prizes. In fact all the principal prizes in Percherons, Belgians and Coachers. Then Iams kept his great 51,000-pound show pair and the best stallion in every class out of the Nebraska show yard. Iams' best horses were at the Nebraska State Fair for exhibition and were not shown for prizes. None of the special train of 100 stallions received August 23, 1903, were shown at Nebraska State Fair, and among these he had the first and second prize four-year-old Percherons at largest French horse show at Chartres, and many Percheron winners at leading "horse-shows," as well as winners at leading "horse-shows" of BELGIUM and GERMANY. Iams is justly entitled to the name—

SWEEPSTAKES STUD

VISITORS and BUYERS through his barn at Nebraska State Fair and said: "HELLO, TOM! I'M FROM ILLINOIS." "I'M ELY FROM MISSOURI. Say, IAMS HAS THE BEST HORSE-SHOW I EVER SAW. Yes, see those four 2,000-pound two-year-olds. IAMS IS A HOT ADVERTISER, but he has horses BETTER THAN HE ADVERTISES: nicer than pictures." "HELLO, MR. I'M FROM IOWA." "I'M ZEKKE, from Ohio. Say, this is the BEST STRING OF STALLIONS I EVER SAW; they are sure peaches and cream. See those six 2,200-pound three-year olds—all alike, too. They are ALL-WOOL AND A YARD WIDE. Zeke, they are sure "THE WIDE-AS-A-WAGON SORT." "Say, MOTHER, look! This is IAMS' GREAT SHOW OF HORSES. His horses are all black and big, too fellows; none on the grounds to compare with his. He always has the BEST." "Well, Samantha, here is IAMS' SHOW HERD. EVERYBODY wants to see his horses. We came from California to see IAMS 5,100-POUND PAIR OF STALLIONS. THAT'S THEM; better than the pictures. They are sure the greatest pair in the U. S. Yes, and WORTH GOING 2,000 MILES to see." "Hello, Louie, here is IAMS' 2,400-POUND SWEEPSTAKES PERCHERON stallion OVER ALL. He is a 'HUMMER.'" "Say, DOC, I don't wonder at HIS COMPETITORS wanting this horse BARRED out of show ring. He is a SURE WINNER anywhere. IAMS always has GOOD ONES and has them in shape." "Hello, Bob. See those Illinois men buying that 2,200-pound three-year-old, a 'TOP-NOTCHER,' at \$1,200—MUCH BETTER than twenty of my neighbors gave \$4,000 for." "Kitty, see those fine COACHERS OF IAMS." "George, dear, they are lovely; they can look into the second-story window. They step high and fast—real, live 'WHIRLWINDS.'" "Yes, Kitty, IAMS HAS MORE REGISTERED DRAFT and COACH STALLIONS than ANY ONE man in the U. S., and all good ones." "George, dear, you must buy your next stallion of IAMS. His horses are much better than the one you paid those Ohio men \$4,000 for, and IAMS ONLY ASKS \$1,000 AND \$1,500 FOR 'TOPPERS.'" IAMS has on hand

A Superb Dairy Country

The hardwood timber country traversed by the "Red" Line in Wisconsin and Michigan is acknowledged by experts to be the best dairy region in the United States. The land is gently rolling, the soil is a rich loam with a clay subsoil, watered by streams and lakes of pure water. Grains, vegetables and grasses grow wonderfully. A great clover country. Choice land can be bought on easy payments at from \$5.00 to \$12.00 an acre. Ask for "Openings For Busy People."
