CAUGHT BY THE GRIP. RELEASED BY PE-RU-NA.

*"The world of
 medicine recognizes
 Grip as epidemic
 catarrh."—
 Medical Talk.*

what it is, serving on public boards a number of times. He endorses Peruna in the following words:

"I am 68 years old, am hale and hearty, and Peruna has helped me attain it. Two years ago I had la grippe—my life was despaired of. Peruna saved me."—J. R. Guill.

A Relative of Abraham Lincoln.

Mr. Silas S. Lincoln, who resides at 918 I. Street, N. W., Washington, D. C., has the honor of being third cousin to Abraham Lincoln. He writes:

"I had la grippe five times before using your medicine. Four years ago I began the use of Peruna, since which time I have not been troubled with that disease. I can now do as much work at my desk as I ever could in my life. I have gained more than ten pounds in weight."—S. S. Lincoln.

Pe-ru-na Not Only Cured La Grippe but Benefited the Whole System.

Miss Alice M. Dressler, 1313 N. Bryant Ave., Minneapolis, Minn., writes:

"Last spring I suffered from la grippe and was partially cured but the bad after effects remained through the summer and somehow I did not get strong as I was before. One of my college friends who was visiting me asked me to try Peruna and I did so and found it all and more than I had expected. It not only cured me of the catarrh, but restored me to perfect health, built up the entire system and brought a happy feeling of buoyancy which I had not known for years."—Alice M. Dressler.

An Actress' Testimonial.

Miss Jean Cowgill, Griswold Opera House, Troy, N. Y., is the leading lady with the Aubrey Stock Co. She writes the following:

"During the past winter of 1901, I suffered for several weeks from a severe attack of grippe, which left a serious catarrhal condition of the throat and head.

"Some one suggested Peruna. As a last resort, after wasting much time and money on physicians, I tried the remedy faithfully, and in a few weeks was as well as ever."—Jean Cowgill.

A Southern Judge Cured.

Judge Horatio J. Goss, Hartwell, Ga., writes:

"Some five or six years ago I had a very severe spell of grippe, which left me with systemic catarrh. A friend advised me to try your Peruna which I did, and was immediately benefited and cured. The third bottle completed the cure."—H. J. Goss.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

LA GRIPPE is epidemic catarrh. It spares no class or nationality. The cultured and the ignorant, the aristocrat and the pauper, the masses and the classes are alike subject to la grippe. None are exempt—all are liable.

Have you the grip? Or, rather, has the grip got you? Grip is well named. The original French term, la grippe, has been shortened by the busy American to read "grip." Without intending to do so a new word has been coined that exactly describes the case. As if some hideous giant with awful Grip had clutched us in its fatal clasp. Men, women, children, whole towns and cities are caught in the baneful grip of a terrible monster.

The following letters speak for them-

selves as to the efficacy of Peruna in cases of la grippe or its after effects.

After Effects of La Grippe Eradicated by Pe-ru-na.

Mrs. Fred Weinberger, Westerlo, Albany County, N. Y., writes:

"Several years ago I had an attack of la grippe which left my nerves in a prostrated condition. Then I had another attack of la grippe which left me worse. I had tried three good physicians but all in vain. I gave Peruna a trial. In a short time I was feeling better and now I am as well as anyone."—Mrs. Fred Weinberger.

 Regular enrollment past ten days, 266, representing 32 states and territories. Total regular enrollment first two months, 857, representing 43 states and territories. The Old Guard of Populism now has men on the firing line in every state and territory of "continental" United States, except Connecticut, Delaware, Idaho, Maryland, Nevada, Rhode island, and South Carolina. Ten days' receipts, \$47.68; for the two months, \$193.74. I hope to make next week's report complete by county arrangement—but may not be able to reach it. Returns not included in above report show a marked increase in the enrollment and in the interest manifested.

TREASURER FELTER'S REPORT.

Editor Independent: I wish to make the following report of money received and expended by me as treasurer of the Denver committee.

I received at the conference from the hand of J. H. Calderhead of Helena, Mont., \$20; I have received from Dan H. Goodrich of Geneva, Neb., \$1, making \$25 all told. Since the Denver conference I have used \$11 and have

paid out to J. A. Edgerton, national organizer, \$15.

Total receipts\$26.00
 Total expenditures\$26.00

I wish to make the following suggestion: If any one, save the two names given, has sent me a cent of money, please speak out through The Independent. The reason no money has flowed in to me as treasurer need not be discussed. I desire to say that all donations hereafter to the work be sent to Charles Q. De France, associate editor of the Nebraska Independent, to help pay expenses of enrollment of the Old Guard.

 Treasurer of the Committee.

THE OLD GUARD OF CUSTER.

The populists of Custer county never do things by halves. When they get on their fighting clothes, they clear the field. And when they pout, they do it thoroughly. The enrollment of the Old Guard of Populism has begun to stir things up in old Custer. A big quarter-sheet hand bill just received tells the story:

POPULISTS, ATTENTION!
 A Rally of
THE OLD GUARD.

Populists of Custer county are called to meet in Callaway, Neb., Saturday, February 13, 1904, at 2 o'clock p. m., for the purpose of conferring on matters of vital importance to the populist party prior to the St. Louis conference.

The only political home for agriculturists is the populist party.

Populism was born to live, not to die. Every populist reading this notice is cordially invited to be present and take part in the deliberations.

By order of
MANY POPULISTS.

I have just sent a large number of enrollment blanks up to the resident members of the Old Guard of Populism, and, after Saturday, we may expect to hear something drop in old Custer.—De France.

S. Richardson, Terrell, Tex.: "I am one of the many Old Guards of Populism in this country. I want a straight ticket or none. It won't do to fool with Bryan's decoy ducks. Let's not have Bryan in it. Now, let's fix for the battle and then we will select our general to go at war against the two old traitor parties. We are not ready for the band wagon yet, as the gentlemen from St. Louis would have you to believe. Let's not go to battle until we get our men in the field."

A. M. Hood, Point Isabel, Ind.: "I have talked with some of the populists here about the conference to be held in St. Louis February 22, and it pleases them well. You can see the fire in their eyes. It pleases them so well. What we need is a good speaker, to go through the country, one who would warm them up, and bring new life in the cause again. There are a few populists left in every neighborhood, if we could fire them up. They will fire others up for the
