

the next two years and R. T. Short secretary. T. A. Jackson, Jno. Surles, sr., Milton Houston, F. A. Bradley and J. M. Bradley were elected committeemen. J. S. Burnam, M. C. Jobe, T. A. Jackson, H. C. Clemmer and L. A. Bradley were elected delegates to the congressional convention to be held at Abilene, May 10. R. T. Short was chosen to represent the county in the state convention to meet in Dallas, June 9. Later on it is proposed to get out a full county ticket.—Mercury.

The "vanguard of populism" in these parts has "democrat" indelibly branded across its forehead.—Long Island (Kas.) Leader. Doubtless correct. Phillips county went into the "joint" convention business and "joins" of all kinds are illegal in Kansas.

The Populist, Ridgway, Colo., carries the Springfield call and address on its third page each week. Good idea. If I had means, I'd prepare these two documents in plate form and send to every paper in the United States that would agree to run them whenever space was ample.

The populists of Cherokee county, Ga., have nominated a full county ticket. It is pleasing to see that "Old Guard" Jefferson Bell was named for tax collector.

The populists of Laurens county, Ga., were to meet in Dublin, April 5, but no later report is at hand.

Chairman W. R. Tribbey of the Daviess county, Mo., people's party called a meeting for April 9, but I have seen no report to date.

Labette county, Kas., farmers are organizing unions of the American Society of Equity.

Howard county, Ark., populists met at Center Point, April 2, and elected 8 delegates to the state convention, which will probably be held May 11 at Little Rock.

GREER CO., OKLAHOMA.

Populists attention! The long looked for time has arrived. Our national leaders have gotten together and the joint national committees have called a convention to meet at Springfield, Ill., on July 4, to nominate people's party candidates for president and vice president. The lines are being reformed throughout the nation and already word has been received that Oklahoma is to have a real people's party candidate for congress this year.

Believing that there are a large number of people in Greer county who believe our beloved Watson told the truth when he said a few days ago that "there never was a time more favorable for a straight, fearless fight

on both the old parties, I hereby request all such to meet in conference at Fraternity Hall over Jackson & Wilson's store in Mangum at 10 o'clock on Saturday, April 23, 1904.

I already have assurance from many of the old boys that they will be there; and if you want to see the people's party in Greer county revived, do not fail to attend this meeting and we will all confer as to what is best to do at this time.

On to Springfield!
W. O. BYERS,
People's Party Committeeman for Greer County.
Mangum, Okla.

THE CARD INDEX.

It is deemed advisable to give this week a detailed report of the enrollment by states and counties, showing the counties in each state where the Old Guard has made a start. MISS JULIA MARLOWE.

In a recent letter to The Peruna Medicine Co., Miss Julia Marlowe of New York City, has the following to say of Peruna:

"I am glad to write my endorsement of the great remedy, Peruna, as a nerve tonic. I do so most heartily."—Julia Marlowe.

Nervousness is very common among women. This condition is due to anemic nerve centers. The nerve centers are the reservoirs of nervous vitality. These centers become bloodless for want of proper nutrition. This is especially true in the spring season. Every spring a host of invalids are produced as the direct result of weak nerves.

This could be easily obviated by the use of Peruna. Peruna strikes at the root of the difficulty by correcting the digestion. Digestion furnishes nutri-

tion for the nerve centers. Properly digested food furnishes these reservoirs of life with vitality which leads to strong, steady nerves, and thus nourishes life.

Peruna is in great favor among women, especially those who have vocations that are trying to the nervous system. Peruna furnishes the lasting invigoration for the nerves that such people so much need. Thousands of testimonials from women in all parts of the United States are being received every year. Such unsolicited evidence surely proves that Peruna is without an equal as a nerve tonic and a vital invigorator.

Blame
No One But Yourself
if You Don't Get
Well When Sick.

All we can do is give advice. Of course that's easy. But our advice is really worth a little more to you than most people's, for we offer to give you the first bottle of our medicine free, if it fails to help you. We could not afford to do this unless our medicine was good. Such an offer, on the wrong kind of medicine, would put a merchant prince in the poor house. Dr. Miles' Nerveine, however, as years of experience have proved, is a medicine that cures the sick. Those whom it cannot benefit—less than one in ten thousand—we prefer to refund their money.

All we ask of you is to try Dr. Miles' Restorative Nerveine for your complaint. If you suffer from sleeplessness, nervous exhaustion, dizziness, headache, muscular twitchings, melancholy, loss of memory, weak stomach, poor blood, bilious troubles, epilepsy, St. Vitus' Dance, etc., we will guarantee to benefit you or refund your money. You are the doctor.

"My son Bert, when in his 17th year, became subject to attacks of epilepsy, so serious that we were compelled to take him out of school. After several physicians had failed to relieve him, we gave Dr. Miles' Nerveine a trial. Ten months treatment with Nerveine and Liver Pills restored our boy to perfect health."—MR. JOHN S.
