GIGANTIC SALE ON SILK FOR SUITS.

Some 250 pieces Plain and Fancy Silk in colors, and about 100 plain Black Silks and Taffeta, Peau de Soie and Peau de Cygne. These Silks were made for one of New York's Leading Garment Manufacturers, but as the mills that made them failed to deliver same according to contract time, they were refused and left on hands of mill. Our New York Buyer snapped them up quickly, at about 50c on the dollar. We place them on sale commencing Monday, and will afford an opportunity for every one to own one of the popular silk shirtwaist suits.
