

such bolt will probably come early—doubtless on the heels of the fight over platform.

The Independent opposes any change of date now. On to Springfield, July 4. Don't forget the date.

#### PARTIAL REPORT FOR APRIL.

The recapitulation following this partial report includes the names of 104 delegates present at the Smith county, Kansas, convention, April 2, not previously enrolled; their names appeared in The Independent of April 7; and the names of 81 Kansas delegates to the national convention, not previously enrolled, their names appearing in The Independent of April 14. Not all of the persons named below have applied for enrollment in the usual way, but no name has been taken without some assurance that the person is a populist.
