

Making Splendid Campaign

Mr. Watson, greeted by thousands everywhere, arouses much enthusiasm for the Peoples cause

The active and energetic campaign that Mr. Watson is making for the organization of the people's party should command the loyal support of every patriotic citizen. The battle he is waging is in the interest of humanity in its struggle for justice. Mr. Watson is making his canvass at a great sacrifice of health and finance. His only possible reward is the satisfaction from a clear conscience in the knowledge of duty well performed. Thousands of the rank and file of the party are already at work but there are many thousands who are still asleep, unconscious of the great revival that has begun. Mr. Watson's noble and patriotic addresses in every locality that he is able to visit arouses the greatest enthusiasm. But he can not alone cover the entire United States. He needs and should have your cooperation. You should help to circulate his speeches and other literature throughout your locality. The Independent publishes Mr. Watson's speeches in full and is everywhere recognized as the most fearless exponent of populist principles. Wherever it circulates it makes votes for Mr. Watson and the populist ticket. Under existing conditions it is easy to get up a club of new subscribers at the special campaign rate of 15 cents each or SEVEN FOR A DOLLAR. Why not join in pushing the educational work? Get on the firing line in this the first skirmish in the great battle that will be fought in 1908. With a commander and leader like Tom Watson it only remains for the rank and file to do their part to insure a glorious triumph for the people's cause. Hundreds of encouraging letters reach this office every day. Here are samples:

IN THIRTY MINUTES.

Mr. G. W. B., Rocky Mount, Va., sending a list of nine subscriptions, says: "I got these subscriptions up in thirty minutes and will get more in a few days."

PLEASED WITH THE INDEPENDENT.

Mr. C. E. Prince, Garrison, Tex., says: "This is the second club I have sent in. All are pleased with the Independent. The big fight is on now and politics is getting hot. Three cheers for Tom Watson and the people's party."

POPULISM SPREADING.

Mr. Sam W. Collins, Thorsby, Ala., sending a list of eight campaign subscriptions, says: "Populism is growing fast in Alabama. We held our convention the 22d inst. Have nominated a full populist ticket which is sure to be elected in November. We have not lost a single officer in this county for twelve years."

CLUB OF ONE HUNDRED MEMBERS

Mr. J. W. Storey, sending a long list, writes: "With a little effort I have organized a Watson and Tibbles club of over one hundred voters. Names and addresses are enclosed. Send sample copies of The Independent. I think a great many of them will subscribe under your 15c proposition for the campaign."

BRYAN DEMOCRATS FOR WATSON.

Mr. S. T. Bromwell, Fayetteville, Ark., with list of seven, writes: "These subscribers are all Bryan democrats who declare they will vote and work for Watson and Tibbles. Send me another blank and roll of sample copies and I will send in seven more. I hope to see Watson and Tibbles get a large vote to show the Wall street gamblers that they can not run the whole country."

EASY WORK IN TENNESSEE.

J. M. Greer, Petersburg, Tenn., sends list of seven and says: "I find it no trouble to get subscribers for The Independent. Mr. Watson was expected to address our state convention at Nashville September 8. Outlook in Tennessee is excellent."

GOOD REPORT FROM INDIANA.

J. W. George, Frankfort, Ind., sending list, says: "Will send another list soon. There are hundreds of democrats here who will not vote for Parker. Many of them leading attorneys, farmers, merchants and laborers."

BETTER THAN SPANKING.

Spanking does not cure children of urine difficulties. It is better to have a constitutional cause for this. Mrs. M. Summers, Box 123, Notre Dame, Ind., will send her home treatment to any mother. It asks no money. Write her today if your children trouble you in this way. Don't blame the child. The chances are it can't help it.

Watson and Tibbles Clubs

J. M. Hayes of Villa Rica, Ga., has the honor of sending in the first enrolled Watson and Tibbles club. Twenty-one voters in his vicinity have pledged themselves to vote for their gallant leader. Mr. Hayes says:

"Please find enclosed \$3. We had a little meeting Saturday night at the school house and elected W. A. Cheves chairman, and J. K. Nalley, A. B. Bagwell, Allen Brown and Robert Yates as organizers in our district. I hear from other districts in our country—they are at work. Tell the boys up in your state that we expect to send Watson and Tibbles electors up from Georgia. The fire is kindling and the wind is rising."

Mr. Hayes' number in the Old Guard files was 12,393. The club he sends in will take that number.

Let us see how many clubs the empire state of Georgia can organize in the next thirty days. Constitution and other printed matter is now being prepared at headquarters and will soon be sent out. In the meantime hustle out and find the names of the men who will pledge themselves to vote for Watson and Tibbles.

Iowa Populists

Editor Independent: It is with great pleasure that I inform you, and by your paper the brethren throughout our common country, that we have held our state convention and have nominated a full state ticket and electoral ticket and have a complete state central committee for work.

It is with more than great pleasure that I inform you and the brethren that three of our state candidates have been openly pronounced Bryan democrats for more than eight years; but who now, in open convention, accept our people's party nomination, and declare that they do so as a public protest against Parker democracy and the gold democratic proclamation—telegram. Each of these three Bryan democratic candidates are very influential citizens and will, I doubt not, add thousands of voters to our state ticket and the Watson and Tibbles electoral ticket. They each, in open convention, endorsed our national platform and our national candidates.

The world moves and the people are moving with it. Our state committee is making arrangements for a Watson meeting at Des Moines September 15, if available, about that date. Scores of Bryan democrats hereabouts are publicly declaring that they will not vote for Parker electors. A tremendous gain in Iowa, this election, is anticipated by thoughtful populists.
L. H. WELLER.
