

WE WANT YOUR MONEY

BUT not until you can say "Here is the dollar. You deserve it," not until we HAVE EARNED IT, not until you are WILLING to send it to us, not until you want to send it to us, not until you are SATISFIED to pay it, not until we HAVE PROVEN TO YOU that we have what we claim, not until VITAE-ORE HAS DONE FOR YOU WHAT YOU WANT IT TO DO FOR YOU. Until then, you pay us Nothing. After that you will be willing to pay, GLAD TO PAY, as hundreds of the readers of this paper, yea even thousands, have been willing and glad to pay. YOU ARE TO BE THE JUDGE. We leave it to you entirely for you to decide. If you can say that we, and Vitae-Ore, have earned your money, we want your money, as we say at the top, but NOT OTHERWISE. How can you refuse to give this most remarkable of all remarkable remedies—a natural, curing and healing mineral ore—a trial of the terms of such a LIBERAL OFFER? If you need medicinal treatment of any kind, if you are sick and ailing, if any one in your family is ailing, poorly, worn out, sickly, it is actually a sin and shame if you do not send for Vitae-Ore upon the terms of this thirty-day trial offer. Read the offer! Read it again and again! Send for the medicine! Do it to-day. Each day lost makes a case older, obstinate, harder, hurts you more, pains you more. We take all the risk; you have nothing to lose.

WE WILL SEND TO ALL

Subscribers or readers of Nebraska Independent a full sized \$1.00 package of VITAE-ORE by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this over again carefully, and understand that we ask our pay only when it has done you good and not before. If not, no money is wanted! We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. We give you thirty days' time to try the medicine, thirty days to see the results before you need to pay us one cent, and you do not pay the one cent unless you do see the results. You are to be the judge! We know Vitae-Ore and are willing to take the risk.

Vitae-Ore is a natural hard, adamantite, rock-like substance—mineral—Ore—mined from the ground like gold and silver in the neighborhood of a once powerful, but now extinct, mineral spring. It requires twenty years for oxidation by exposure to the air, when it slacks down like lime, and is then of medicinal value. It contains free iron, free sulphur, and free magnesium, three properties which are most essential for the retention of health in the human system, and one package—one ounce—of the ORE, when mixed with a quart of water, will equal in medicinal strength and curative value 500 gallons of the most powerful mineral water drunk fresh from the springs. It is a geological discovery, in which there is nothing added or taken from it. It is the marvel of the century for curing disease as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITAE-ORE has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach such cases with a more rapid and powerful curative action than any medicine combination of medicines, or doctors' prescriptions which it is possible to procure.

Vitae-Ore will do the same for you as it has for hundreds of readers of Nebraska Independent, if you will give it a trial. Send for a \$1 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money whom Vitae-Ore cannot benefit. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires to be cured and is willing to pay for it would hesitate to try Vitae-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving age and ailments, and mention Nebraska Independent, so we may know that you are entitled to this liberal offer.

A MESSAGE FOR EVERY WOMAN

Read What Mrs. Walker Tells of Her Terrible Sufferings.

CURED SOUND AND hale IN THREE WEEKS' TIME.

When I sent for a trial package of Vitae-Ore I was suffering almost death. One doctor told me it was old age approaching, although I am only thirty-nine years old; another said it was caused by a fall which I experienced some time ago, and still another pronounced it female weakness. I suffered terribly for months with pains in my bowels and limbs, and menstruation was very profuse and irregular. At one period I could not sleep for three nights in succession, and had to sit up in bed on account of the terrible pain. I do not see now how I endured the misery. I began to take Vitae-Ore one morning, and at night, after taking but three doses, I rested much more than usual and slept some. When I had taken it for three days my pain and misery were all gone. Now, after only three weeks' use of the medicine, I feel as well as I ever did in my life. I have had no trouble whatever in a month. I can pick cotton and ride about on the roads, feeling better every day. I wish I could tell every suffering woman what Vitae-Ore has done for me. I thank the Lord every day that I can live and feel well, so that I can tell others what they can do to cure their sufferings.

WHAT CATARRH IS:

Many of the troubles and disorders which Vitae-Ore is advertised to cure may be traced to a catarrhal condition of some part of the body. Most people connect the word Catarrh only with a disorder of the head or throat, but such inference is not correct.

Catarrh, as defined by Webster, is an inflammatory affection in which there are congestion, swelling, morbid action or any alteration in the quantity and quality of mucous secretion. It consequently be present in any part of the body where there is a mucous membrane—the head, nose, throat, stomach, intestines, bowels, bladder, kidneys and generative organs, and as a clot of dust will impair the workings of the finest watch, so a catarrhal condition of any organ will entangle its power, prevent the proper functional activity and capacity, and result in a complication of ills of many names and symptoms, treated in many different ways, but no cure is possible unless the Catarrhal condition, the primary cause, is checked and removed.

To successfully treat catarrh of any part it is necessary to use medicaments which possess the power of allaying inflammation, arresting morbid action and purifying diseased mucous.

Vitae-Ore will positively cure Catarrh of any organ or part of the body, used for the different conditions in the several ways prescribed in our printed directions. It is a natural astringent, presenting qualities as such which it seems impossible to duplicate in any manufactured or artificial product and immediately allays all inflammation—stops all morbid or irregular action on the membrane; eradicates all catarrhal conditions and places each organ in a natural, normal, healthy condition, so as to faithfully perform its individual function and restores the entire system to a state of entire and perfect health.

Its action is certain, and results sure. It can be relied upon to reach every case more promptly and effectively than any treatment, combination of remedies or doctor's prescription that can be procured and cure completely as well as permanently. Patients afflicted with catarrh of any part should not delay treatment, as delay means a spread of the disease to other parts, a more aggravated condition from month to month and more difficult in effecting a cure. Vitae-Ore has cured thousands upon thousands of cases, as the multitude of testimonials in our indexes show, many of them in which the patient was at such a stage that hope was given up, recalling them from the shadow of the grave.

WORKING WONDERS FOR ALL THREE.

Rev. G. W. Rook Tells What a Trial Package Did For Three Persons.

Does Not Such Testimony Say to You "GIVE IT A TRIAL?"

I want to say that the Vitae-Ore medicine is working wonders for every one in this house. Mrs. Rook is wonderfully improved of late and is better than she has been at any time since she received her paralytic stroke, and is getting better every day. Her sister, Miss M. A. Wood, who has been afflicted with a lame foot ever since she was eight or nine years old, or for the past fifty years, is greatly improved in every way and expects to be a well woman yet. Her back has always troubled her and her kidneys were in a very bad condition. I am also happy to report for myself that my own case is very much further improved. My back and kidneys seem well, and my heart, which has been giving me no end of trouble, is very much better. It seems almost impossible to believe that so much good could be accomplished for three different people on \$1.00 worth of medicine, and this is all the more remarkable from the fact that the dollar's worth was a trial package sent into our house without costing us one penny in advance. We are more than glad to pay for it, as all should be, and intend to continue with the treatment, so as to secure the great and lasting good which it promises all of us. The Theo. Noel Company is doing a wonderful work in offering the Vitae-Ore in this splendid manner, and my sincere and best wishes go with it. REV. G. W. ROOK, Lostine, Ore.

NOT A PENNY UNLESS BENEFITED!

This offer will challenge the attention and consideration, and afterward the gratitude of every living person who desires better health or who suffers pain, ills and diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but only ask your investigation, and at our expense, regardless of what ills you have, by sending to us for a package. ADDRESS,

THEO. NOEL CO. Independent Dept. Chicago. Vitae-Ore Build'g.
