HAYDEN'S
THE RELIABLE STORE.

The exceptional values we are offering in Men's **HIGH GRADE CLOTHES** should be of interest to all buyers who look not only at price but quality. A suit or overcoat may be low in price but if the quality isn't in it its dear at any price. Your experience will testify as to the truth of this statement. Not one garment, not one yard of goods is allowed to become part of our immense stock until we are satisfied of its absolute and satisfying worth. We may make mistakes, everyone is liable to them, but if we do we always stand ready to make the value good. If you send your orders Here it Always Means Satisfaction or Your Money Back. Could you ask a fairer proposition? No house between Chicago and San Francisco can show such a complete and comprehensive stock of high grade Clothing as ours. No house on earth can give you better value than us. We absolutely guarantee this. When you receive the goods, examine them carefully, try them on, compare them with others, if they are not better value than you could procure elsewhere return them at our expense and your moneys yours. Wont cost you a cent to try it. **Do So Now. Send Your Orders.**
