

teration within twenty days after the attachment of the clerk's certificate of sufficiency to the accompanying petition (subject to a referendary vote under the provisions of section 2 of this chapter); and if the ordinance shall be passed by the common council, but shall be vetoed by the mayor, and on reconsideration shall fail of passage by the common council, then within five days after determination that said ordinance shall have so failed of final adoption, the common council shall proceed to call a special election at which said ordinance without alteration, shall be submitted to a vote of the people; or,

(b) Forthwith after the clerk shall attach to the petition accompanying such ordinance his certificate of sufficiency, the common council shall proceed to call a special election at which said ordinance, without alteration, shall be submitted to a vote of the people.

If the petition be signed by electors equal in number to at least five per cent but less than fifteen per cent of the entire vote cast for all candidates for mayor at the last preceding general election at which a mayor was elected, then such ordinance, without alteration, shall be submitted by the common council to a vote of the people at the next general municipal election that shall occur at any time after thirty days from the date of the clerk's certificate of sufficiency attached to the petition accompanying such ordinance.

The ballots used when voting upon said proposed ordinance shall contain the words "For the ordinance" (stating the nature of the proposed ordinance) and "Against the ordinance" (stating general nature of the proposed ordinance). If a majority of the qualified electors voting on said proposed ordinance shall vote in favor thereof, such ordinance shall thereupon become a valid and binding ordinance of the city; and any ordinance proposed by petition, or which shall be adopted by a vote of the people can not be repealed or amended except by a vote of the people.

Any number of proposed ordinances may be voted upon at the same election, in accordance with the provisions of this section; provided, that there shall not be held under this section of the charter, more than one special election in any period of six months.

The common council may submit a proposition for the repeal of any such ordinance, or for amendments thereto, to be voted upon at any succeeding general city election; and should such proposition, so submitted, receive a majority of the votes cast thereon at such election, such ordinance shall be repealed or amended accordingly. Whenever any ordinance or proposition is required by this charter to be submitted to the voters of the city at any election, the city clerk shall cause

the ordinance or proposition to be printed and he shall enclose a printed copy thereof in an envelop with a sample ballot, and mail the same to each voter, at least ten days prior to the election, but the common council may order such ordinance or proposition to be printed in the official newspaper of the city and published in like manner as ordinances adopted by the common council are required to be published, and may order that such publication shall take the place of the printing and mailing of the ordinance or proposition, and of the sample ballot as first above provided.

Sec. 3. No ordinance passed by the common council (except when otherwise required by the general laws of the state, or by the provisions of this charter, respecting street improvements, and except an ordinance for the immediate preservation of the public peace, health, or safety, which contains a statement of its urgency, and is passed by a two-thirds vote of the common council, but no grant of any franchise, shall be construed to be an urgency measure, but all franchises shall be subject to the referendary vote herein provided), shall go into effect before thirty days from the time of its final passage and its approval by the mayor; and if during said thirty days a petition signed by electors of the city equal in number to at least seven per cent of the entire vote cast for all candidates for mayor at the last preceding general election at which a mayor was elected, protesting against the passage of such ordinance, be presented to the common council, the same shall thereupon be suspended from going into operation, and it shall be the duty of the common council to reconsider such ordinance, and if the same is not entirely repealed, the common council shall submit the ordinance as is provided in section 2 of this chapter, to the vote of the electors of the city, either at the next general election or at a special municipal election to be called for that purpose, and such ordinance shall not go into effect or become operative unless a majority of the qualified electors voting on the same shall vote in favor thereof. Said petition shall be in all respects in accordance with the provisions of said section 2, except as to the percentage of signers, and be examined and certified by the clerk in all respects as is therein provided.

Sec. 4. The holder of any elective office may be removed at any time by the electors qualified to vote for a successor of such incumbent. The procedure to effect the removal of an incumbent of an elective office shall be as follows: A petition signed by electors entitled to vote for a successor to the incumbent sought to be removed, equal in number to at least twenty-five per centum of the entire vote for all candidates for the office, the incumbent of which is sought to be removed, cast at the last preceding general municipal election, demanding an election of a successor of the person sought to be removed, shall be filed with the city clerk; provided, that the petition sent to the common council shall contain a general statement of the grounds for which the removal is sought. The signatures to the petition need not all be appended to one paper, but each signer shall add to his signature his place of residence, giving the street and number. One of the signers of each such paper shall make oath before an officer competent to administer oaths, that the statements therein made are true, and that each signature to the paper appended is the genuine signature of the person whose name purports to be thereunto subscribed. Within ten days from the date of filing such petition the city clerk shall examine and from the great register ascertain whether or not said petition is signed by the requisite number of qualified electors, and if necessary, the common council shall allow him extra help for that purpose, and he shall attach to said petition his certificate showing the result of said examination. If, by the clerk's certificate the petition is shown to be insufficient, it may be amended within ten days from the date of said certificate. The clerk shall within ten days after such amendment, make like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same without prejudice, however, to the filing of a new petition to the same effect. If the petition shall be found to be sufficient, the clerk shall submit the same to the common council without delay. If the petition shall be found to be sufficient, the common council shall order, and fix a date for holding the said election, not less than thirty days nor more than forty days from the date of the clerk's certificate to the common council that a sufficient petition is filed.

The common council shall make or cause to be made publication of notice, and all arrangements for holding

of such election, and the same shall be conducted, returned, and the result thereof declared in all respects as are other city elections. The successor of any officer so removed shall hold office during the unexpired term of his predecessor. Any person sought to be removed may be a candidate to succeed himself, and unless he requests otherwise, in writing, the clerk shall place his name on the official ballot without nomination. In any such removal election, the candidate receiving the highest number of votes shall be declared elected. At such election if some other person than the incumbent receives the highest number of votes, the incumbent shall thereupon be deemed removed from the office upon qualification of his successor. In case the party who receives the highest number of votes should fail to qualify within ten days after receiving notification of election, the office shall be deemed vacant. If the incumbent receives the highest number of votes he shall continue in office.

Japanese Credit

While the Russian credit goes down the Japanese credit goes up. The applications in this country for portions of the Japanese loan, which was offered to investors in New York the other day, mark a new era in Japanese finance, so far as America is concerned. The rush is notable, it is said, among small investors scattered over the land. The big life insurance company alone took \$15,000,000, and

\$25,000,000 more, went to a few large banking houses for distribution among regular clients. The total amount to be taken here is \$75,000,000, and there are heavy applications from France for some of that sum, showing that French investors are tired enough of backing the nation that suffers steady defeat.

The True Doctrine

The state is just as truly a divine institution as the church is, and the governor, the mayor, the superintendent of police, the members of the legislature or the city council or the school board are just as much ministers and servants of God, as I am. I have just as good right to use my opportunity here in this church to enrich myself or to push my personal ambitions as they have; if the scandal in the case of a pastor would be greater than in that of a public servant it is only because our notions about the service of the state have been terribly perverted.—Washington Gladden.

Might Change His Mind

A number of prominent republicans are arranging for 1908 under the evident impression that there is no chance whatever of President Roosevelt reconsidering his determination not to run again. — People's Voice (Okla.)

Bryan and Harrington

Just as M. F. Harrington comes out with an appeal for the formation of a new political party to be made up of all the reformers who have been working together under the fusion regime, Colonel Bryan gives admonition to democrats to stick to their colors and cling to their name and organization. If both mean what they say, Harrington and Bryan must be at the parting of the ways.—Omaha Bee.
