## WFFK IMPORTANT NEWS OF THE

## 

The Russian and Japanese peace envoys were introduced to each other by President Roosevelt on board the Mayflower at Oyster Bay. President Roosevelt proposed a toast in which he expressed the hope that the two nations now at war may conclude a lasting peace. After the ceremonies of introduction the peace envoys sailed for Portmouth, N. H.

A general strike of the telegraphers Northern Pacific was ordered by President Perham of the Order of Railway Telegraphers. The telegraphers had been given the alternative of accepting the wage schedule of the company improvement is noted from day to day.

Copies of the Japanese blue book for 1905, prepared by the department of finance, issued from the government printing office at Tokio, have been received at Washington. The progressive enterprise of the Japanese comprising nearly 100 main and nearhas an area of 161,148 square miles. The total population was a little over 33,000,000 in 1872, and has risen to 47,812,702, besides 3,059,235 for Formost, these being the figures given at the close of the fiscal year 1905.

Advices received in Seattle from Nome by the steamer Ohio state that the people of Nome are up in arms aginst the government officials and their alleged actions in filing upon for four years Chairman of the People's party. Published monthly. Devoted to Southern progress. Every issue gives many bargains in Timber, Mineral, Graz-ing, Fruit and Farming lands, cheap valuable mining claims. The Nome themselves of many valuable claims, which are obtainable by relocating. The Nugget prints comparative tables showing the number of claims held by the government officials and their relatives or assistants, and also the number held by the leading mining and business men of Nome and vicinity. Officers of the Ohio report that the people are greatly exercised and if the authorities at Washington do not investigate the matter.

The fiftieth anniversary of the open-1 Italian district into other districts of ing of the Sault Ste. Marie ship canal the city. Everywhere the quarantine was celebrated by both Americans and is being rigidly enforced against the Canadians at Sault Ste. Marie, Mich. stricken city, and considerable trouble has arisen between the governors of Louisana and Mississippi as to the respective rights of each state with reference to quarantine enforcement. One launch manned by Mississippians was seized by the naval militia of Louisana. The United States marine hospital launches were also threatened with seizure. Captain Ross has been ordered to proceed to New Orleans to take charge of the government's health service, and the citizens of New Orleans have guaranteed \$250,000 to aid the government in on the lines of the Great Northern and its effort to stamp out the dise. ;e and to properly enforce quarantine regulations.

Charles F, Pfister, one of the wealthiest and most prominent citior giving up their positions. Freight zens of Milwaukee, and who was wideand passenger service on both lines ly known as a politician, was indicted have been greatly hampered, but an by the grand jury of Milwaukee county, charged with stealing \$14,000 belonging to the Wisconsin Rendering company of this city. At the same time indictments were returned against four others, the charge of bribery being alleged in three of the indicements and one of perjury. The indictment of Pfister caused a profound sensation. He is engaged in is exhibited in this publication, which many of the biggest enterprises of is printed in English. According to Milwaukee. He is a director of one the blue book, the empire of Japan, of the leading banks, owns a large interest in a big tannery, is proprietor leading newspapers of the city. He has perhaps done as much or more than any other citizen of Milwaukee in building up the city. Pfister was the first one arrested, after which the others were served with papers. The list of persons for whom capiases were issued and the charges, is as follows: Charles F. Pfister, capitalist, one indictment, larceny. John F. Dittmars, ex-supervisor, one indictment, bribery. George F. Reichert, supervisor, one indictment, embacting fourteen counts, bribery. Barney A. Eaton, state senator, one indictment, bribery. Frank F. Schultz, former newspaper reporter,

one indictment, perjury.

His charges are reasonable and terms of payment easy.

The National Carbon company, of Cleveland, known as the Carbon trust, will soon have a competitor with immense financial backing. Rockefeller whack at the bosses of the political interests are behind the United States machines. On this point he said: "I Carbon company, which soon will be myself am a small factor in the sitfinanced at a capitalization close to uation as compared to the principal \$1,000,000. A Cleveland plant of a car- issue involved. It is a big thing to bon company has been bought by break down the evil solidarity of the Martin B. Daly, general manager of feller corporation. The plant is now these machines or the bosses, dibeing overhauled at an outlay of rectly to the people. In my mind \$100,000. It will be turning out car- this is an appropriate time to make bon products by September 15. Bur- the test. In advocating this printon P. Foster, manager of the com- ciple I hope to create discussion all pany, said that in addition to the over the country, especially in local plant in Cleveland branches will be political affairs. What I want to bring established in the natural gas belts out is whether the people are politicalof Ohio and a mammoth organization ly free or subservient to a one man will be built up rapidly to compete power. But whether I am successful with the National company.

or not it will not shake my faith in the principal. However, I think this Yellow fever still has a firm grip is an opportune time, as there is a

on New Orleans. In spite of precau- feeling of unrest throughout the tions the fever has spread from the country."
