

## THE PEERLESS STILL

Reference to Bryan Without Mentioning Name Calls Forth Demonstration at Jefferson Day Banquet.

Kansas City, Mo.—Representative Charles A. Towne of New York, responding to a toast here at the Jefferson Day banquet, went outside his set speech to eulogize William J. Bryan and to bitterly attack President Roosevelt. Both sentiments aroused the most intense enthusiasm, reference to the Nebraskan ending in a demonstration that amounted to an uproar.

Mr. Towne did not refer to Mr. Bryan by name. "Your toastmaster has put on me the duty of referring to our great standard bearer of 1896," said he. "I feel almost that he himself in far away India must be catching the enthusiasm of your homage tonight."

Mr. Towne then read from an editorial in which sympathy was offered to the democratic editor who was wont to write columns on imperialism and free silver.

"I am as thankful as anyone that the money question has worked itself out so satisfactorily," resumed Mr. Towne. "But I cannot accept in silence the popular version of why the predicted panic that was to follow the adoption of the gold standard did not occur because since 1896 the country has produced enough gold to supply the money market without material increase in our silver output. We owe our prosperity to providence, not to a policy. When men refused to open the mint God opened the mines."

### Censures the President

Then Mr. Towne attacked President Roosevelt. "I'm going to take you into my confidence this much," said the speaker, "by telling you that I am going back to Washington with the avowed purpose of exposing President Roosevelt. He is the greatest promiser and smallest performer since the days of Judas Iscariot. He filched his rate legislation program from a national democratic platform and has now lain down on his own bill; he sends for legislators and lectures them like boys.

"And his tools—consider them for a minute. They are a speaker and a degenerate house. Nowadays there are three steps in national legislation—getting the permission of 'Uncle Joe' to introduce a bill and then securing its passage in the house and the senate. I get no show in the house. I might as well make a power of attorney to the speaker and go back home and get to work. I wouldn't stay in congress or in the democratic party if I did not believe that democracy will eventually triumph in national affairs."

It was far after midnight before the speechmaking was finished and Mr. Towne's response was to one of the last toasts on the program.

### PRINCE VON BUELOW DISABLED

German Chancellor, Emaciated and Crushed, Spent Good Friday in Prayer

Chicago, Ill.—A correspondent of the Daily News cables as follows from Berlin:

"Despite the reassuring statements by Professor Renvers for the benefit of the public, your correspondent is enabled to state that Prince Von Buelow's condition is altogether sad and discouraging. His lower limbs are paralyzed and useless, his hair has whitened, his frame has become emaciated and his spirits seem to be crushed.

"Nearly all of Good Friday was spent by the chancellor in prayer with the former court chaplain, Dr. Stoeker, who informed his friends that

## Was Alarmingly Afflicted With La Grippe. Relieved by Pe-ru-na.

The Grip Is Properly Termed Epidemic Catarrh. As Pe-ru-na Relieves Every Form of Catarrh, It Has Probably Relieved More Cases of Grip Than Any Other Remedy.

HON. W. H. PARSONS,  
925 H. St., N. W.,  
WASHINGTON, D. C.

### The Fear of Grip Makes People Nervous.

There is no remedy in the world that meets the conditions produced by the grip better than Peruna.

Peruna strengthens as it renovates, soothes while it stimulates, heals as it expurgates.

It reaches the source of all diseases of the mucous membranes by its action on the vaso-motor system of nerves.

### After-Effects of the Grip.

Every person who has had la grippe during the last year should take a course of Peruna.

The grip has produced catarrhal inflammation of the whole mucous membrane, and good health is impossible until these are restored to a normal condition. This Peruna will do.

A great many remedies have been suggested for this condition from time to time, but Peruna is the only remedy that has gained great popularity in these cases.

It has seldom failed to give satisfaction during forty years' experience and still occupies the unique position of being the leading and most generally used remedy for the after-effects of la grippe.

Revised Formula.—"For a number of years requests have come to me from a multitude of grateful friends, urging that Pe-ru-na be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Pe-ru-na that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character.

W. H. Parsons is Ex-State Senator and Ex-Special Judge of the Supreme Court of Texas, and was also Brigadier-General in Confederate Army. In a recent letter from 925 H street, N. W., Washington, D. C., this prominent gentleman says:

"Upon the recommendation of personal friends and many strong testimonials as to the efficacy of Peruna in the treatment of the numerous symptoms of the grippe with which I have been afflicted for four months past, I have been induced to undergo a treatment with this justly celebrated formula. I feel a decided change for the better after using it only one week.

"It is especially good in toning up the stomach and has a decided effect upon my appetite. I therefore feel much encouraged that I am on the road to complete restoration.

"My numerous friends in Texas, where I have had the honor to command a brigade of her Veteran Cavalry in a four years' war, may accept this voluntary testimonial to the merits of Peruna as a sense of obligation on my part for its wonderful efficacy."—W. H. Parsons.

### No Time Like the Present.

If you are suffering from the after-effects of la grippe—if you have become discouraged in your attempts to cure yourself with other treatments, take a bottle of Peruna now.

A bottle of Peruna taken during the beginning of the disease is worth more than a dozen bottles after the trouble has become deep-seated.

### Pe-ru-na, a Good Medicine for La Grippe.

Mrs. Louisa Eastman, Lancaster, Wis., writes:

"I am all right. I do not think I need any more treatment. I am able to do my own work which I could not do at the time I wrote you. My cough is

gone, my appetite is good, I sleep good, and my bowels are all right. I think Peruna is a good medicine for the grip."

### A Most Effective Medicine For La Grippe.

Robt. L. Madison, A. M., Principal of Cullowhee High School, Painter, N. C., is chairman of the Jackson County Board of Education. He is a writer of occasional verse and has contributed to number of leading papers and magazines.

In speaking of Peruna, Mr. Madison says:

"I am hardly ever without Peruna in my home. It is the most effective medicine that I have ever tried for la grippe. It cured my wife of nasal catarrh."

"I have been a sufferer from la grippe for some time, and have tried many remedies, but have not been able to get any relief. I have now used Peruna for a few days, and I feel much better. I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character.

he was very much shocked at the helpless and reduced condition of the prince. Dr. Stoeker declares that it is out of the question that Prince Von Buelow will ever again be able to take up the government leadership.

"Speculation as to the chancellor's successor concerns chiefly Prince

Phillip Eutenberg, former ambassador to Vienna, who is the kaiser's candidate, and Baron Von Rheinbaben, Prussian minister of finance, who visited Chicago in 1904 and whose chances are considered the better because he enjoys the confidence of the reichstag."
