MANY PEOPLE HAVE CATARRH OF KIDNEYS AND DON'T KNOW IT.

Backache, a Warning Symptom of Kidney Trouble.

Pe-ru-na Is Invaluable in Such Cases.

Prominent Persons Who Have Been Cured.

Mr. J. Blyler, 1505 Ohio street, Des Moines, Ia., writes: "I wish to state my appreciation of your excellent remedy. "I have always enjoyed excellent health, except frequent and painful attacks of bladder trouble, which doctors failed to relieve or cure. "Upon recommendation I used Peruna to my utter satisfaction, not having had an attack now for four or five years."—J. Blyler.

Catarrh of Kidneys Caused Much Suffering.

Mr. Leopold Brandl, 246 Bleecker street, Brooklyn, N. Y., writes: "I was sick three months with catarrh of the kidneys and lungs. I was treated by my home physician and relieved to some extent, but after I had worked again for two weeks, my old suffering—backache and pains in the right lung—returned. The dreadful cough which bothered me day and night lasted six months and no one could help me. "I tried three different patent medicines, without avail. I could scarcely eat anything and slept only a few hours each night. "A friend told me to take Peruna. I did so and the second day my appetite had improved. I took a teaspoonful of Peruna every hour, day and night, for three weeks. Now I have taken five bottles. I can eat enough for two people and am able to sleep well. "Whenever I meet a sick person, I advise him to take Peruna. I thank you a thousand times for your medicine, as it was the only remedy that saved me. We continue to keep it in our family."—Leopold Brandl.

MR. L. BRANDL

Dangerous Kidney Diseases Cured.

WHEN the kidneys become affected by catarrh, either from colds, overwork, or an extension of catarrh from some other organ, they fail to perform their normal functions.

It is the work of the kidneys to excrete from the blood many of the poisons which accumulate in the body.

If the kidneys fail in their work, the poisons accumulate to such an extent as to cause convulsions, which often prove fatal.

Peruna, by relieving the kidneys of their congested and catarrhal conditions, leaves them free to act in a normal manner.

It also strengthens the action of the heart, equalizing the circulation of the blood in all parts of the system.

Revised Formula.—"For a number of years requests have come to me from urging that Pe-ru-na be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Pe-ru-na that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character.

A remedy that relieves catarrhal derangements of the kidneys should certainly be considered a household remedy. Peruna is such a remedy.

High Commendation For Pe-ru-na. Mr. C. B. Fizer, Mt. Sterling, Ky., writes:

"I have suffered with kidney and bladder trouble for ten years past.

"Last March I commenced using your Peruna and continued for three months. "I have not used it since, nor have I felt a pain.

"I believe that I am well and I therefore give my highest commendation to the curative qualities of Peruna."

Neglected catarrh of the kidneys is apt to develop into Bright's Disease or diabetes, when a cure is almost an impossibility.

We have on file many testimonials like the ones given here.
