## GIVES MORE EVIDENCE

**President Sends Message to Congress Maintaining His Stand in Dismissing Colored Troops**

Washington, D. C.—The president on Monday night sent to the senate a special message regarding the Brownsville incident, which gives the additional evidence collected by Assistant Attorney General Purdy and Major Blocksom, who were sent to Texas by the president to investigate the affair. The president submitted with his message various exhibits, including maps of Brownsville and Fort Brown, a bandoleer, thirty-three empty shells, seven ball cartridges, picked up in the streets a few hours after the shooting; three steel jacketed bullets, and some scraps of the casings of other bullets picked out of the houses into which they had been fired.

The president declares that the evidence is positive that the outrages of August 13 were committed by some of the colored troops that have been dismissed and that some or all of the members of the three companies of the Twenty-fifth infantry had knowledge of the deed and have shielded the guilty ones until the negro troops are referred to by the president in his message as "midnight assassins," and he declares that very few, if any, of the soldiers dismissed "without honor" could have been ignorant of what occurred. That part of the order which bars the soldiers from all civil employment under the government is revoked by the president. This clause the president says, was lacking in validity. The discharged troops, however, are forever barred from enlisting in the army or navy, and as to this the president says "that there is no doubt of constitutional and legal power."

Albany, N. Y.—The senate is preparing to make war on the newspapers. A resolution has been adopted by the committee on rules to empower Clerk Gleason to order the exclusion of any reporter whose newspaper, editorially or otherwise, may, in future, offend any of the senators. This means that any senator may hide his identity behind the clerk of the senate and accomplish the desired result.

## AFTER

**You Are Well From Rheumatism Will You Pay Your Banker \$10?**

Not a cent in advance—not a penny, remember, until you, yourself, can freely and unhesitatingly say, "I am well again!" Should you begin the treatment, I will let your Banker or Express Agent hold the money. Will you under such conditions, to be completely and entirely free from Rheumatism, expend \$10.00? That is what I now promise Rheumatics. My boundless, never-ending faith in Dr. Shoop's Rheumatic Remedy has led me to make and fulfill this remarkable offer. Positively no physician, anywhere, has ever before said, "I will Cure Rheumatism, else make no charge." I want to get—and must in some way get, everybody, everywhere, to fully and completely understand what I myself now absolutely know, about this unsurpassed prescription. The remedy is surely remarkable—then why not the offer? Every Druggist nearly in America, whether located in hamlet or city, has been, and is now freely selling at \$1.00 per bottle, Dr. Shoop's Rheumatic Remedy. And yet, strange to say, not one sufferer perhaps in a hundred, even knows as yet of the remedy and its power to battle against pain. To stir, to awaken these unknowing ones, to spread the knowledge of what this prescription can do, I shall broadly publish this offer, these facts, unrestricted and everywhere. Having no fear of the final outcome, I shall unhesitatingly tell of my plan to all.

Reader, you that are well and happy, do an act of humanity. Tell some tortured and suffering one that there is yet one way to health—one way entirely free from risk, or of money loss.

For a complete cure I charge \$10.00, for I must strike a fair-to-all average price. It is true that many will be cured with a bottle or two of my remedy, but chronic, exceedingly deep-seated and difficult cases, may require ten; twenty, or even a greater number. He, I believe, who has actually suffered the pangs of real Rheumatism, will hardly complain of the price when cured, because perchance, but two or three bottles are needed in his particular case.

But to secure this "No Cure, No Pay" privilege, you must write me personally. Simply address Dr. Shoop, Contract B, Racine, Wis. 2940.

Do not trouble your druggist, please, about this plan. He has no authority, nor will he furnish my medicine, except to sell it at retail, bottle by bottle. Write me instead today for my "Contract B" agreement. I will also send my Book on Rheumatism free, or if you please, medical advice and book on other diseases.

Which book shall I send you?

Book 1 on Dyspepsia, Book 3 the Kidneys,  
Book 2 on the Heart, Book 4 For Women,  
Remember, for Rheumatism use
