THE COLORED SOLDIER

Some time ago it was said that the War Department had anticipated of stationing a detachment of Colored soldiers at Fort Omaha, owing to a petition gotten up by some of the white residents on the northside and the order was revoked. Your reporter by chance met one of his old friends that has lived in the neighborhood of Fort Omaha for fifty years and in those years that was a regimental fort. He said this detachment of men were the most honest and gentlemanly that he can remember ever being stationed out there. He denies he had anything to do with Peterson. With a personal contact and observation I heartily agree with my friend as I have been in Omaha myself for forty-six years. In part we must give some of the

credit to Sgt. M. A. Clark in charge of this detachment of the 10th U. S. Cavalry with eighteen years of service. He is of an unassuming disposition a disciplinarian.
C. H. Spriggs, report.

The following list is of soldiers who have served eighteen years in the army:

Sgt. Melmus A. Clark, Corporal William Cullens, Pfc. George Baker, Fred Strains, Privates, George Boyd, Terry Gouchen, Charles Hamilton, Lewis J. Harris, David Hill, Charles Jones, Samuel Lee, Dennis McKissick Isaac Maye, Oscar Redden, James Roper, Alfred Stewart, Henry Stephens, James Tapp, Archeillus Thompson, Oscar L. Townsend, Roy Williams.

he has compiled, published and distributed—never forgetting to send me a copy as soon as it has come from the press.

The "High Lights of Negro History", in short, is a miniature edition of the Negro Year Book, filled with ready reference information concerning the Negro; small enough to be carried in the pocket, and priced cheap enough (fifty cents) for those who cannot, or do not care to pay \$2 for a more complete and comprehensive reference work.

In many places in the volume, Mr. Love has acknowledged the Negro Year Book as his source of information, but even without such acknowledgement, particularly to one who has read the Negro Year Book, one will readily appreciate that Mr. Love is deeply indebted to Dr. Work, for outside of typographical errors and omissions the "High Lights of Negro History" is but a brief copied compiled from the more reliable, and better known, "Negro Year Book."

Last Friday afternoon Mrs. Gene Edwards was hostess to two tables of bridge. High honors were won by Mrs. Loretta Swanigan and Mrs. Edna Page. The hostess served dainty refreshments.

Last Saturday week, Mrs. Cicero Johnson entertained two tables of bridge at her beautiful home. After cards, various games were played and everyone had a most enjoyable time. The hostess served a wonderful luncheon.

Last Monday afternoon, Mrs. Dorothy Dean was hostess to the Charity Club at her beautiful home on twentieth street. It was a wonderful meeting. Plans were laid for the Club's annual rummage sale to be held soon. After business a social hour. Mrs. Dean served a very nice luncheon.

A pound party was given by the members of Quinn Chapel Church for their new pastor and his family last Tuesday evening after class meeting. Everything in the grocery and fruit line nearly was given. The pastor and his family feels very grateful to the members for their thoughtfulness. The Rev. William Burbridge seems just the man for this charge and we extend to him our sincere wishes for a successful conference year.

Popular Omahans who attended the Pitts-Nebraska game included: Rae Lee Jones and Jess Hutten. Miss Jones is the popular society Editor of the Omaha Guide. After the game Miss Jones was a charming caller at the Swanigan home getting acquainted and also to remind Mrs. Swanigan her news. I do apologize to Miss Jones and promise her and the Guide to do better from now on.

Mr. and Mrs. Joseph Lewis accompanied by Mrs. S. Yancey of Omaha were Lincoln visitors last Sunday arriving in time to attend service at the Newman ME, Church in the morning and being dinner guests of Mr. and Mrs. Wyatt Williams. Mr. Lewis and party were charming callers at the Swanigan home. Mrs. Lewis is always a welcome guest in Lincoln where she is a great favorite of the people.

Mrs. Guy Wiley entertained Saturday night at three tables of bridge. High honors were won by Mrs. Mable Galbreath, second Mrs. Lillian Rife and booby, Mrs. Ada Holmes. It has been a long time since the ladies got together and enjoyed themselves as they did Saturday night. Mrs. Wiley is a very charming hostess and at a very late hour everybody departed with the feeling of having a wonderful time.

Mr. and Mrs. Merele Dean, Mrs. Leona Dean and Mrs. Blanche Johnson were Omaha visitors last Sunday.

Mrs. Edward Dorsey, head of the Lrian Beauty Parlor was hostess to a dinner party at her beautiful home. Covers were laid for six. The center was a beautiful bowl of cut roses. The evening was spent at cards.

"Maxie Miller Writes"

Deafness vs. Love—"When A Feller Needs A Friend"—Three Aspects of Heredity—Birth Control may be Justifiable—Read and Reflect!
(For advice, write to Maxie Miller, care of The Literary Service Bureau, 516 Minnesota Avenue, Kansas City, Kansas. For personal reply send self addressed, stamped envelope.)
MAXIE MILLER:—I am 26, and I'm deeply in love, for the first time in my life. The man I love wants to marry me and can give me a good home, but this man is getting deaf. His mother and his grandmother

were both deaf, and I understood this means heredity. I might make out, but I don't want any deaf children. It looks like a sin to have them. I don't know what to do, because I do love this man and believe he will make me a good husband. Tell me what you think I ought to do.
—Puzzled Polly.

PUZZLED POLLY:—You do have a problem, but not as difficult as many others have. No doubt this deafness is hereditary, but it is not a dangerous thing to you or to others. Seems to me if a woman loved a man she would not let a thing like this stand in the way. She'd marry him and help him to succeed despite the handicap. As to children, it might be a case where birth control would be justifiable. Consider the questions from these view points and decide.
—MAXIE MILLER

Race prejudice must go. The Fatherhood of God and the Brotherhood of Man must prevail. These are the only principles which will stand the acid test of good citizenship in time of peace, war and death.

(1) We must have our pro-rata of employment in businesses to which we give our patronage, such as grocery stores, laundries, furniture stores, department stores and coal companies, in fact every concern which we support. We must give our citizens the chance to live respectably. We are tired of educating our children and permitting them to remain economic slaves and enter into lives of shame.

(2) Our pro-rata of employment for the patronage to our public corporations such as railroad companies, the street car company, the Nebraska Power Company, the Northwestern Bell Telephone Company and other establishments which we are forced to support by right of franchise. Also our pro-rata of employment in return for the taxes we pay in our city, county state and federal government.

(3) To encourage the establishment of a first class hospital that we may get the best that there is in medical science from our doctors whom we know to be nearest us, also to encourage a high respect of them and encourage more of our girls to take nurse training.

(4) A one hundred per cent department of our citizens in our public or private places of business, especially on street cars. If we are to be respected we must act respectably, especially in public places where we are constantly before the public's eye.

(5) A one hundred per cent membership in the Omaha branch of the NAACP. should be had to encourage the efforts put forth by the founders of the organization and to assist the general office to establish a five million dollar endowment fund to maintain operating expenses and to further the principles of the NAACP. All people of all races must be educated up to a higher principle and a more thorough understanding of interracial relationship that our country may in reality be a government of the people, for the people and by the people in whole and not in part.

(6) The re-establishment of the Christian Religion as Christ taught it, for the uplifting of mankind, eliminating financial and personal gain. A practical Christian Religion, week day as well as Sunday. An attitude toward our fellowman as a brother in order to establish a principle which will guide the destiny of each other's children; our neighbor's children today are our children tomorrow.

(7) Courteous treatment in all places of business and the enforcement of the State Civil Right Law.

(8) To encourage and assist in the establishment of the following financial institutions near 24th and Lake Streets: A building and loan association, a state bank, and also, a first-class trust company for the purpose of administering aid and assistance to our widows and children.

(9) To encourage the erection of a one hundred thousand dollar Young Men's Christian Association Building near 24th and Lake Streets.

(10) To enlarge the Young Women's Christian Association that it may supply sufficient dormitory accommodations.

(11) To teach our citizens to live economically within their earning capacity by printing in each issue a budget system for various salaries.

(12) To make Omaha a better city in which to live by inaugurating a more cosmopolitan spirit among our American citizens.

(13) To put a stop to the Divorce Evil by passing a State law making the mistreatment of a wife or a husband by either of them, a criminal offense to be decided by a jury, first offense, jail sentence of a short duration; second offense, one of longer duration; third offense, from one to five years in the penitentiary. This, we believe will make men and women think before marrying.

(14) We must become owners of the city government by paying a seemingly higher salary to those whom we employ to administer its affairs, a salary that will attract men of high calibre.

AMONG THE FIGHTERS
Ham Jenkins of Denver accepted an unpopular decision with a frown when the referee held up Kenny Austin's hand in a western Nebraska town.

KID NEBO SURPRISED CHOCOLATE
The gallant knight of the cauliflower industry took a beating for four rounds from the veteran Pete Nebo of Tampa, Florida in a fast and furious ten heat go in the St. Nicholas arena in Little old New York, Monday evening.

Chocolate rallied in the last rounds to earn the referee's verdict. It was a non-tit affair.

Kid Coca of New Haven "KO'ed" Mick Paul of New York in a bout preliminary to the Chocolate-Nebo fray.

CANADA LEE DROPS TO JOHN CLINCH
Canda Lee dropped a decision to Johnny Clinch of points east in an eight round main event fight show at the auditorium last Monday evening tide. Lee attacked Clinch with a series of body blows and landed his mighty right on the white boy several times. Many boos or disapprovals were shouted as the referee Johnny Lee held up Clinch's hand.

A NEW DATE SET FOR THE CHOCOLATE-LABARBA GO
The fifteen round match between Fidel LaBarba and Kid Chocolate was billed for December 9th instead of December 16th. It will be a championship affair.

Book Review
"HIGH LIGHTS OF NEGRO HISTORY"
by Nelson W. Love
(Distributed by Joseph S. Klinepeter, 654 Avendale Ave., Toledo, Ohio)

Studiously I digested and checked up on each fact contained in this little volume. Having previously read Dr. Monroe N. Work's Negro Year Book I can't say that I have added any knowledge by having read Mr. Love's, "High Lights of Negro History."

In fact the more I think of the little volume the more I can respect Dr. Work's as evidenced in the many issues of the Negro Year Book which
