Parker explained the purpose of the meeting and Miss Esther Johnson, Juvenile Court Worker, appealed to the women for the organization of a Juvenile Court Committee to work in conjunction with Miss Gertrude Lucas and Juvenile Court Workers. Mrs. A. A. DeLarme, Past President of the State Missionary Baptist Association, gave an inspiring closing talk. There was much discussion and interest and a number of women volunteered to become members of a Juvenile Court Committee. Because of the enthusiasm, quarterly meetings of Missionary workers will be held to discuss such problems.

Here's a Washer "132 Years Old" In Service and as Good as Ever

The interested youngster in this picture is looking on as her mother puts the finishing touches to the week's washing in a machine that deserves a medal for long and faithful service. Every week for more than three years, it has been used for the family washings of forty-four tenants in a Peoria, Ill., apartment house. An average family takes almost eleven months to give its washer as much use as this one gets every week. It would have had to start for an individual family way back in the days of John Quincy Adams to equal the service it actually has given in a little more than three years. Total repair charges have been \$124.

Another washer, tested in Indiana, was given the equal of 116 years' operation in 363 days, the American Washing Machine Manufacturers' association announces. A threshing belt attached to it ran 2,075.4 miles in that period. The washer showed no appreciable wear at the end of the test.

Such records are pointed to as one of the reasons why almost 9,000,000 careful housewives are using home washers. The long life of such machines makes them one of the cheapest investments for the home. Practically nothing else lasts as long in the household as the washer.

Youthful Strength

Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created

TITUS--PEARLS

to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc.

All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute.

L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day, 2 weeks later the medical report on this man was:—general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life.

Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money-order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
