Advertisement for Northwestern Bell Telephone Company. 'We just heard of a Girl who sat up until MIDNIGHT!' Her friend was out of town and said he would call her by long distance—they thought they had to wait till midnight for lower rates. We thought everyone knew night rates on station-to-station calls (which are lower than day rates) go into effect at 8:30 p. m. . . but if girls are going to sit up like this . . . it's time for us to speak up. These lower night rates apply only on station-to-station calls—those on which you do not ask for a specific person but you tell the operator you will talk with anyone available at the telephone called. If you don't want to wait until 8:30 p. m. you can get evening rates, which are not as low as night rates but are lower than day rates, on station-to-station calls after 7 p. m. "The Hungry Five", is the name of our latest Basketball team. It's an odd name but it has its significance. We have more teams this year, all wishing to use the Gymn as much as possible for practice. These boys were on no team, hence, there was little chance play. They were hungry for a chance to play somebody. So Friday night they played their first game and won.

The other House Teams are all well organized and getting ready for some interesting games in the near future. They will tell you more about them a little later. The Staff and House Members of Woodson Center welcome Mrs. M. L. Rhone, our Head-resident back to

Mrs. Wilson, Director of our Music reports that a number of the boys of the Harmonica Band have "graduated from the scale stage," and are busily at work with "pieces." Promotion is based upon ability to single tone notes. Inspection precedes the weekly practices. Hands, faces, necks, ears, hair, clothing, are inspected and improvement noted. There is a decided change in the personal appearance of the group. Ernest Shields, (formerly a "problem" boy) is Commander of the Band, and has made the most rapid advancement. He played two selections of his Harmonica at the Annual meeting.

Let me be poised and calm and still, this is my prayer each day; Alert to hear and do thy will, in thy appointed way. Grant me an understanding heart, that silently may know, How best to serve and do thy will, together and to sow, Guard thou my tongue that I may speak only what comes from thee, And let each utterance be meek, in true humility. He that believes shall not make haste, nor quick to anger be; Let me be poised and calm and still, ever reflecting thee. Mrs. Ardenia Watson, pres., Mrs. Marie Stuart, reporter.

Youthful Strength Dr. Magnus Hirschfeld, the world-known authority on Sexology and Director of the Institute for Sexual Science of Berlin, Germany, created TITUS--PEARLS to help the millions of men and women who have lost or are losing their vital physical power. In his 35 years of practice and research, however, he realized that the weakening of man's glands was also responsible for other troubles: High blood pressure, hardening of the arteries, physical exhaustion after work or exercise, dizziness, depression, neurasthenia, etc. All these troubles can be removed with Titus-Pearls. Numerous cases were treated by Dr. Hirschfeld in his Berlin Institute. L. S. (State Official; 60 years old, married) complained of physical exhaustion, dizziness and tremors. Was easily tired. Mental power dull and slow moving. Physical powers had been incomplete for previous 5 years. Blood pressure too high. Given 2 Titus-Pearls 3 times a day, 2 weeks later the medical report on this man was:— general health better, more vigor; dizziness much less and returning of power. Treatment continued and 2 weeks later L. S. reported again, this time to say that all weariness and exhaustion had gone; he felt fresh and buoyant. His blood pressure had fallen, and at 60 years of age he had regained the physical power and virility that he had known in the prime of his life. Start regaining your youthfulness now! To-day! In 2 weeks time you will be aware of the new, virile force within you. Send \$5.00 (cash registered or money order) for 2 weeks treatment. C. O. D. Orders accepted. Write for Booklet.
